# 前情提要

這是歷經一個多世紀的故事，講述迪奧跟喬斯達兩家糾葛的宿命！

在現代日本——喬瑟夫·喬斯達的孫子，空条承太郎（亦為喬喬）擁有稱為替身的超能力。爲了拯救因替身的影響而病倒的母親，爲了打倒元凶迪奧，喬喬跟他的同伴前往迪奧所在的埃及……雖然一再失去伙伴，承太郎還是打倒了迪奧……

1991年，引出迪奧潛能的「弓與箭」，又在日本的其中一個都市——S市杜王町製造出好幾名「替身使者」。殺人魔王，吉良吉影，改變外貌潛伏在杜王町。川尻浩作的兒子，早人雖然被吉良的替身所控制，但憑著他的勇氣與決心，而使吉良的真面目在仗助們面前曝光了！但是，億萬竟被「皇后殺手」給打倒！

## 之其①

you think  
it's possible?

OKUYASU, HOLD  
ON! I WILL HEAL  
YOU RIGHT  
AWAY!!

I will blow you  
up before you can  
fully heal him!

no...  
it's nothing,  
the rain sounds  
like Josuke.

What's  
wrong  
Jotaro?

another 5 minutes,  
if he doesn't show  
up, I will go to  
Hayato Kawajiri's  
grade school

That guy  
must have  
slept over  
clock.

IT'S COMING  
GET OUTTA  
THERE!!

AIMING...

Also!

Air, it's air  
he's shooting out  
air like bullets!

Killer Queen  
turns the air  
bullets into  
bombs!

restore things  
to their  
original states.

using tiles  
to block...

brick  
tiles...

tiles...

that's what he  
was talking about  
that healing power

YOU WILL  
GET HIT!!

YOU CAN'T SEE THAT!  
IT'S AIR BOMB!!

嘟嘟  
啦啦  
啦啦！

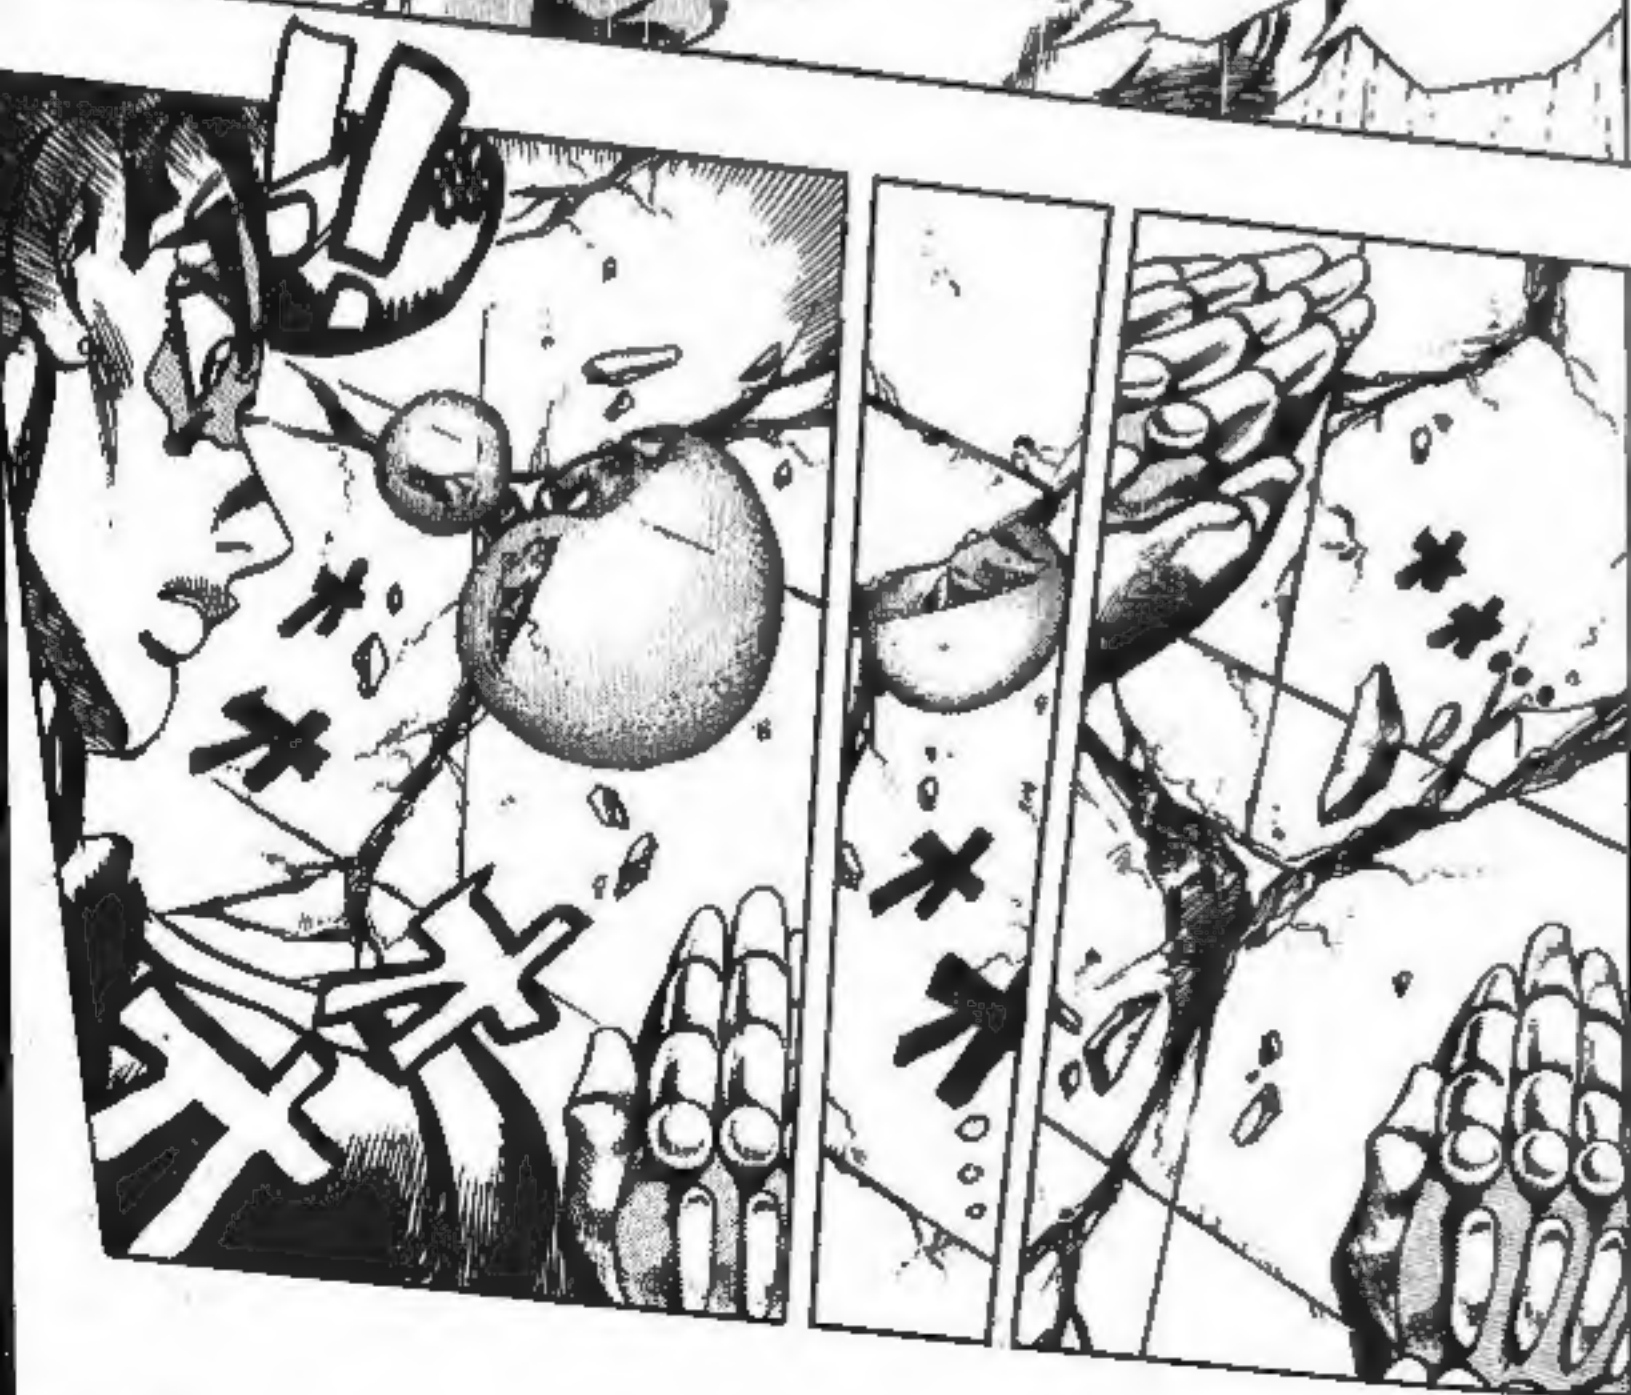

啦 啍  
! 啦  
啦

especially if  
you are overly  
confident about  
your ability which  
your life is depending  
on...

Can be  
lethal  
sometimes

Overly  
confident...

HE'S  
ATTACKING  
AGAIN!!

QUICKLY  
RESTORE  
THE TILES...

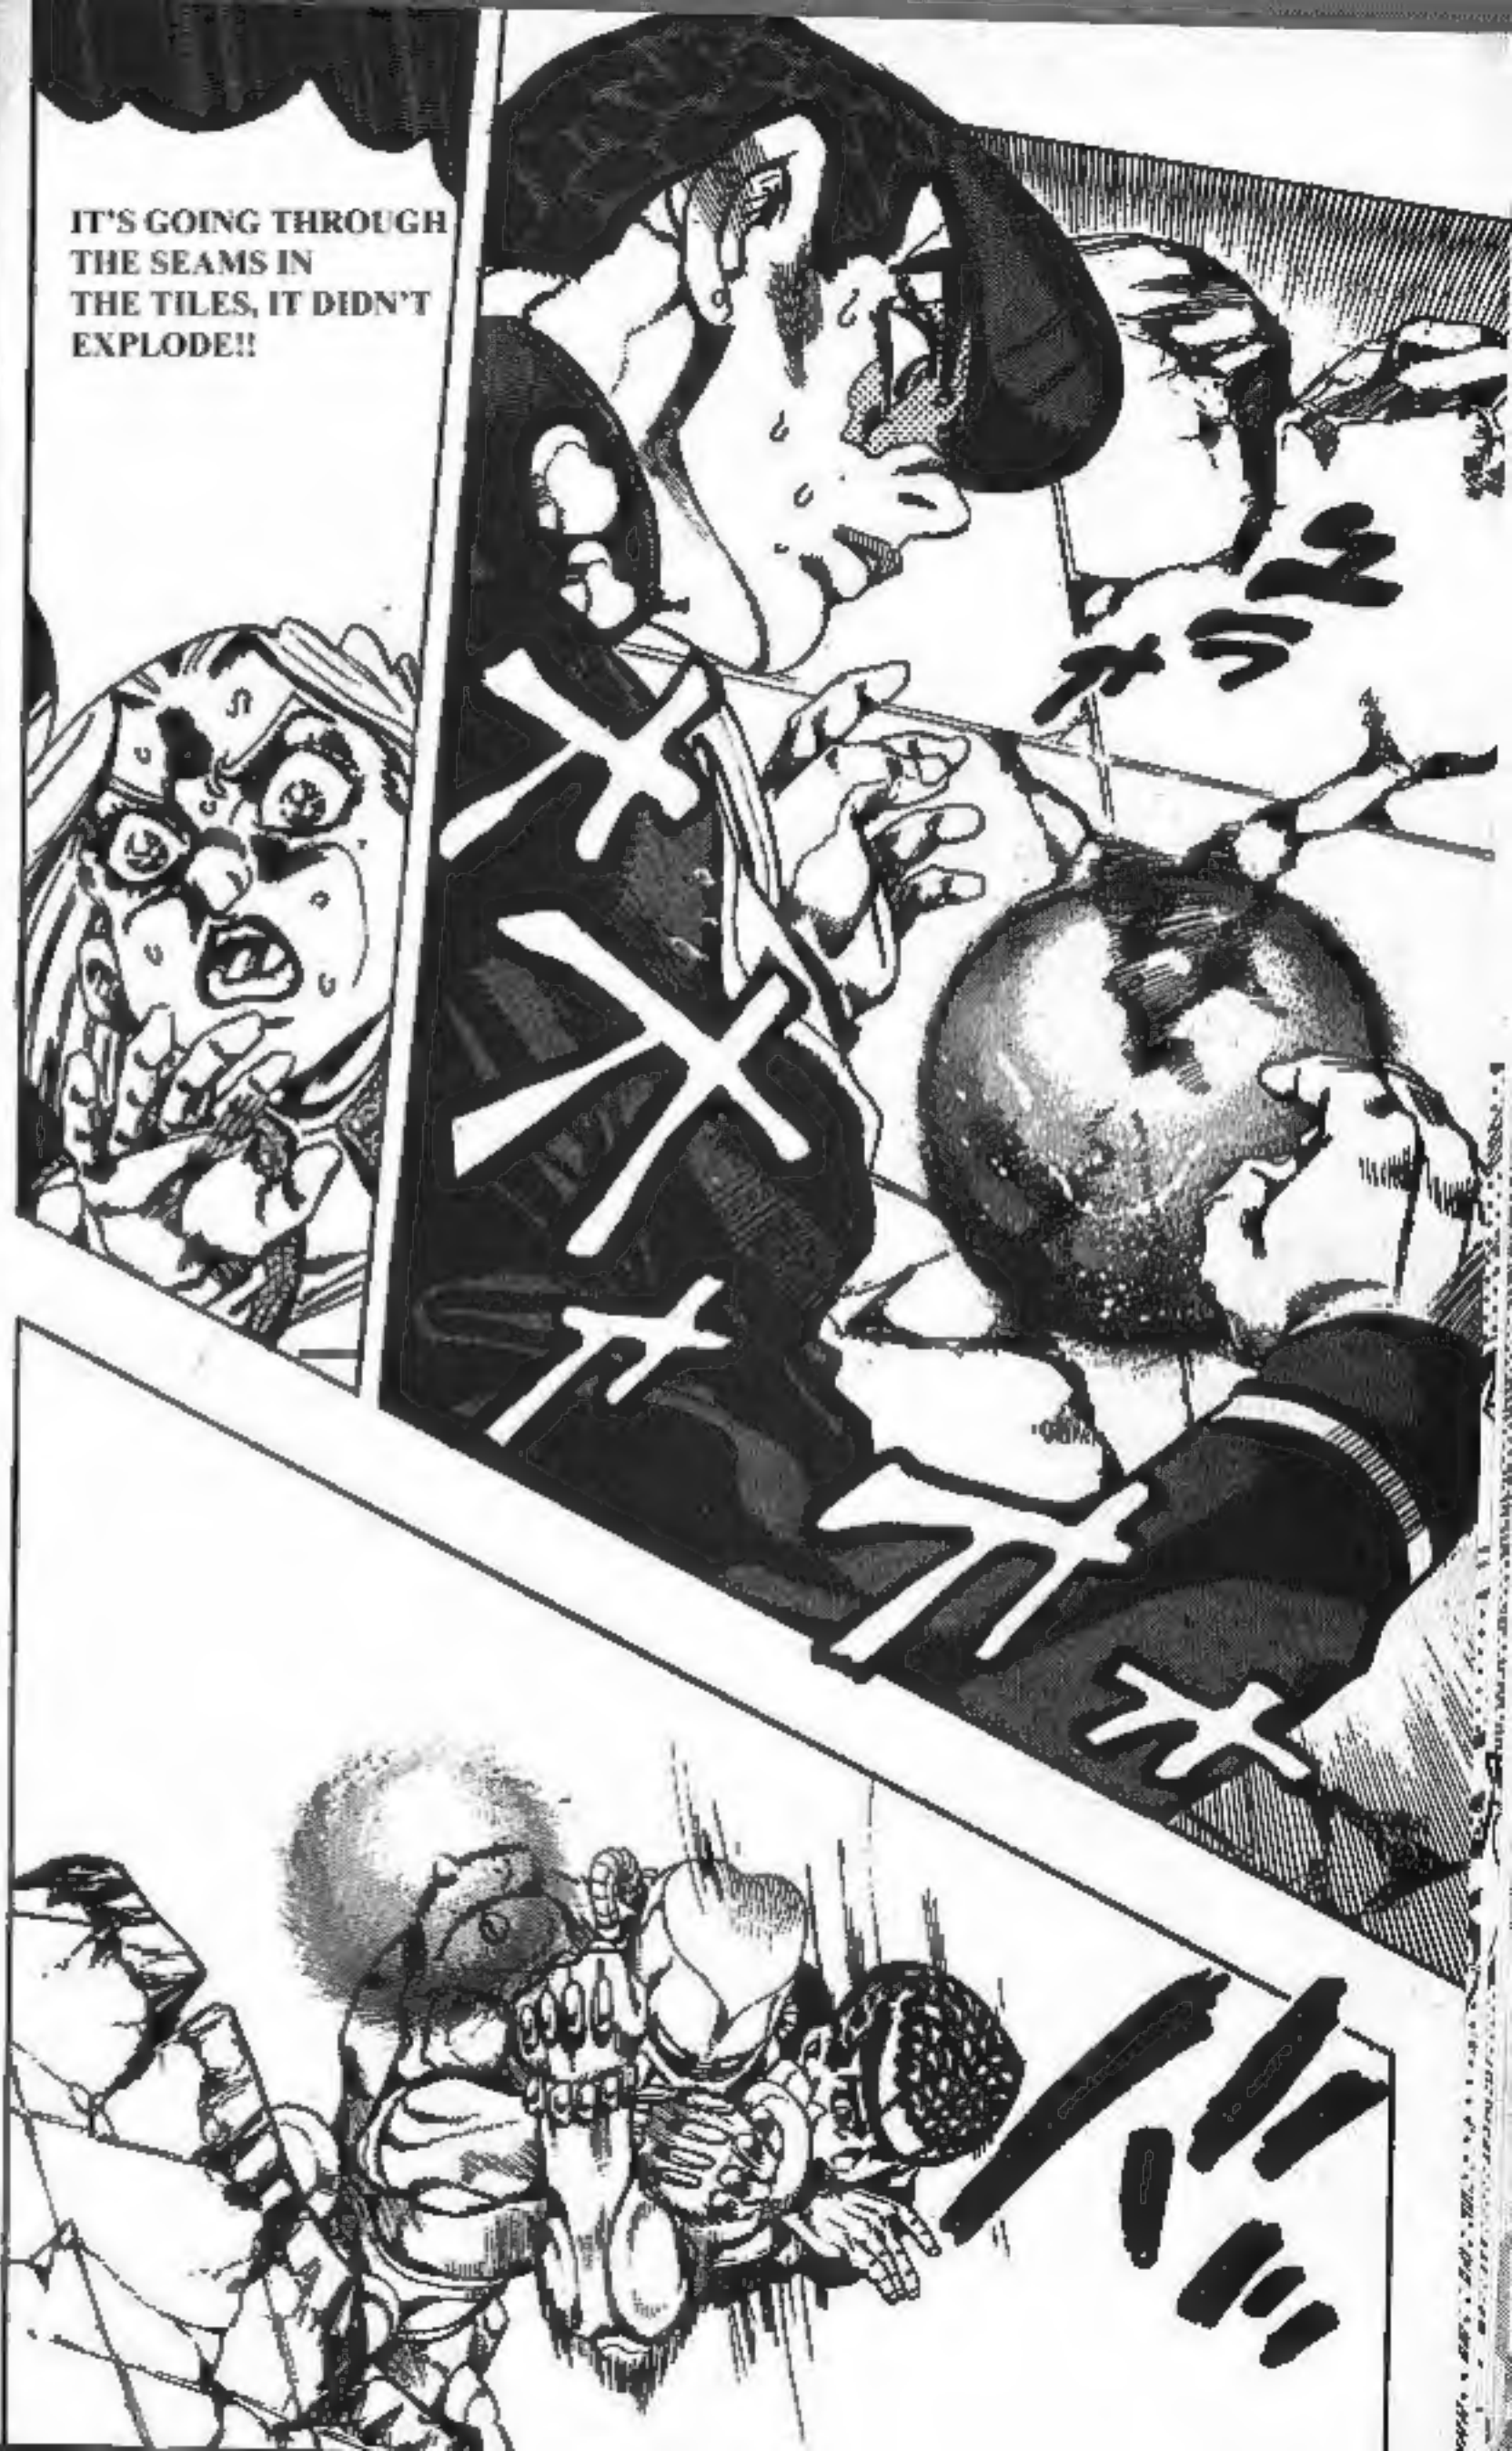

COMING!!

IT'S GOING THROUGH  
THE SEAMS IN  
THE TILES, IT DIDN'T  
EXPLODE!!

I AM NOT GOING TO!

YOU SAID I CAN'T ESCAPE?

NO CAN'T DODGE!

I wan't gonna escape in the first place!

YOU CAN'T ESCAPE!!

Wherever I am, whenever it is...

oh... I thought your head is blown to pieces... but you got lucky... you are still in good shape.

Killer Queen can only explode things he touches.

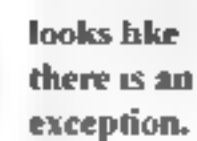

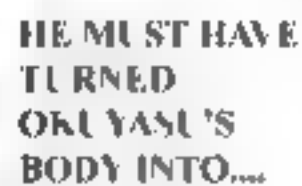

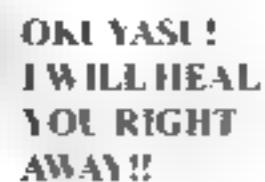

I don't care what you use to block, but the bomb will only explode when I want it to...

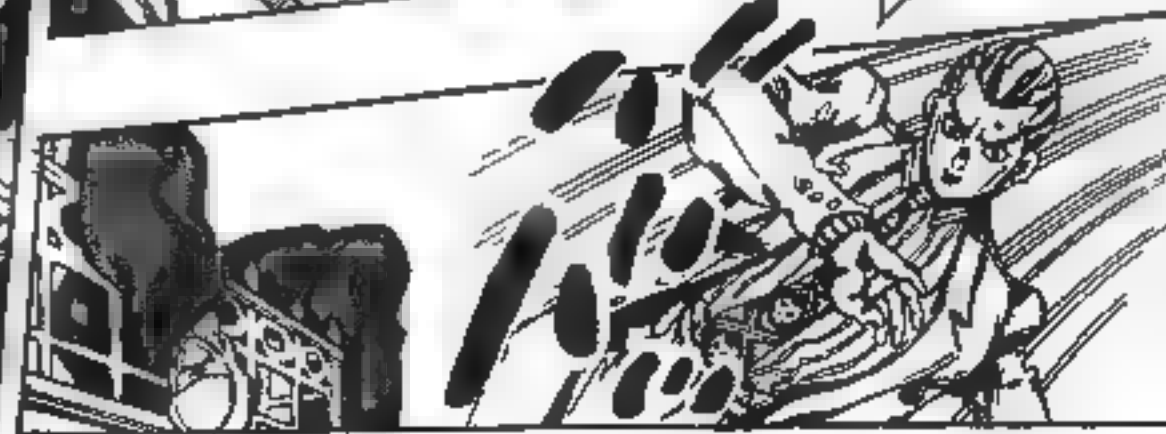

you said you  
can let it  
explode any time  
anywhere...

**HE MUST  
HAVE  
TOUCHED  
IT!  
BUT IT  
DIDN'T  
EXPLODE!**

passed through!

when it's too close to you... you don't want to hurt yourself

AT THIS  
DISTANCE,  
YOU WILL GET  
KILLED ALSO  
YOSHIKAGE

YOU ARE NOT  
A STAND USER  
ARE YOU?!

HOW DID YOU  
KNOW?  
HAYATO  
KAWAJIRI?!

Even though  
I can't see but  
just by looking  
at his face...

DON'T  
TOUCH HIM!

I've been watching  
him for a long  
time, just by looking  
at his face, I know  
what he will do!  
He must have  
touched Okuyasu  
while we were  
not paying attention!

#### Remote Control

not as damaging but  
direction and ignition  
can be remotely controlled,  
can almost go through  
anything.

Touch and Explode  
explode on the first  
contact, extremely  
damaging but can be  
blocked by objects

無敵的  
瘋狂鑽石  
之其②

FIRE THE  
NEXT  
AIR BOMB!

you....

STOP!  
STOP IT!

WHY?

Josuke  
Higashikata...  
I am curious  
about what you  
are going to do...  
I will make my  
move after  
you've made  
yours.

I am not  
in a hurry...

ATTACK ME!!  
COME ON!!!

Maybe Okuyasu  
isn't a bomb after  
all, maybe you  
can heal him with  
your Crazy Diamond...  
why don't you try it...?

if I push  
thumb...  
we shall  
find out...

it really  
doesn't  
matter.

you ran toward  
me... I wasn't  
really sure  
whether I touched  
Okuyasu or not...

just  
now...

um....  
let me  
think....

...

YOSHIKAGE  
KIRA!

but...

I won't touch.

if I were you....

no matter how good of a friend

NO! THERE IS ANOTHER WAY!!  
YOSHIKAGE KIRA MUST NOT CONTROL MORE THAN 1 BOMB AT A TIME!!

I am waiting for your choice....

my advice to you...

you can only heal Okuyasu if you get to touch him right?

think it over but fast, Okuyasu might die at any second.

if he is a bomb.... you will die by healing him.... but at least your friend will live, on the other hand. if you don't touch him... he will die, but you will live...

SAVE YOUR FRIEND....?

OR COME FACE ME?

make your choice!

CAN'T TOUCH!!

PUSH THE  
BUTTON!!

KILLER  
QUEEN!!

LET ME TOUCH  
HIM!!

He can't control  
more than 1  
bomb at a time...

one detonation  
triggers one  
explosion,  
have you seen  
2 explosions at  
the same time?

If I want to  
save  
Okuyasu...

what you  
are saying is...

THE REASON KILLER  
QUEEN IS NOT ATTACKING  
IS BECAUSE HE CAN'T!!  
WHY DOESN'T HE RELEASE  
SEVERAL AIR BOMBS  
AT THE SAME TIME?

Now because  
Okuyasu has  
changed into  
a bomb, that's  
why he didn't  
shoot air bombs  
at you!

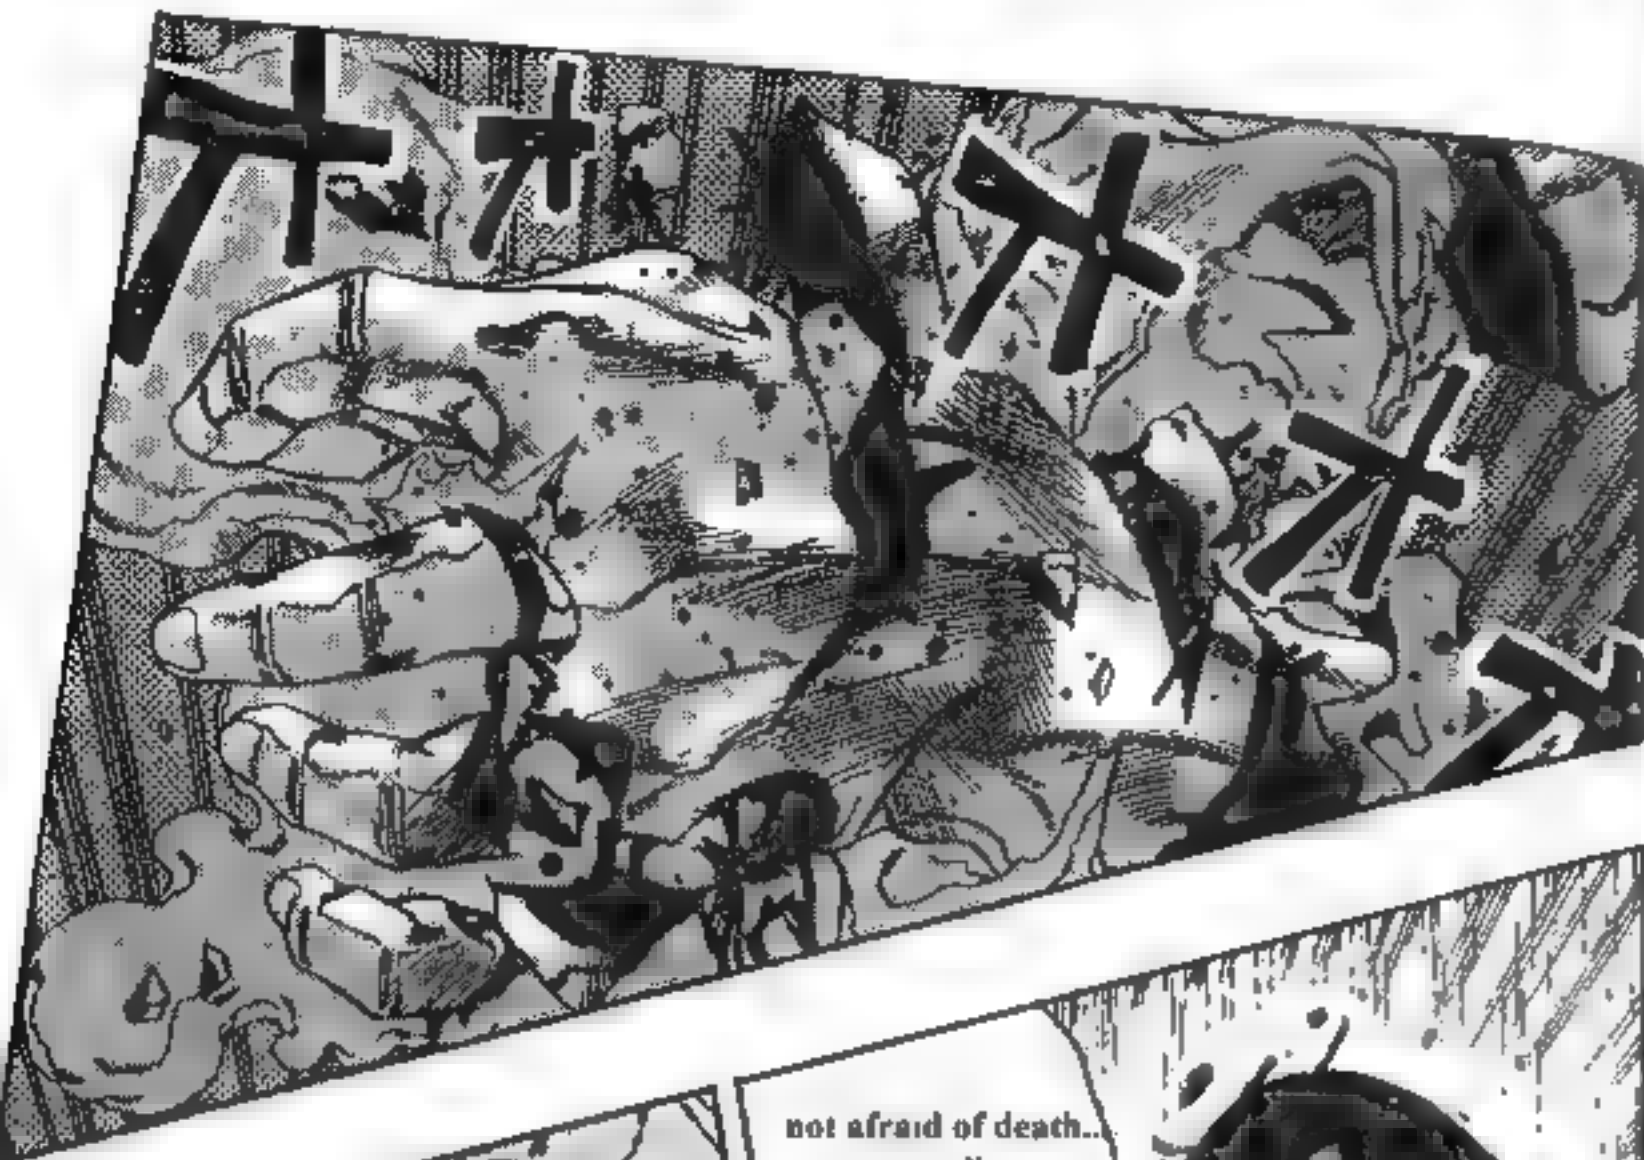

HAYATO!!

not afraid of death...  
are you really  
in grammar school?

I admire your  
courage...  
Hayato  
Kawajiri...

CRAZY  
DIAMOND!!

I GOT  
YOU

you must be eliminated  
then it will be all over,  
I understand now!  
Killer Queen!

maybe the  
biggest  
concern for  
me in the  
future...

Josuke!!  
Look out!

so you  
can't die!

Josuke...  
your ability

is very  
important  
for everybody

if you die, then  
Okuyasu will die!  
he will kill my mom,  
all your friends and  
me, he will kill everybody  
in town!

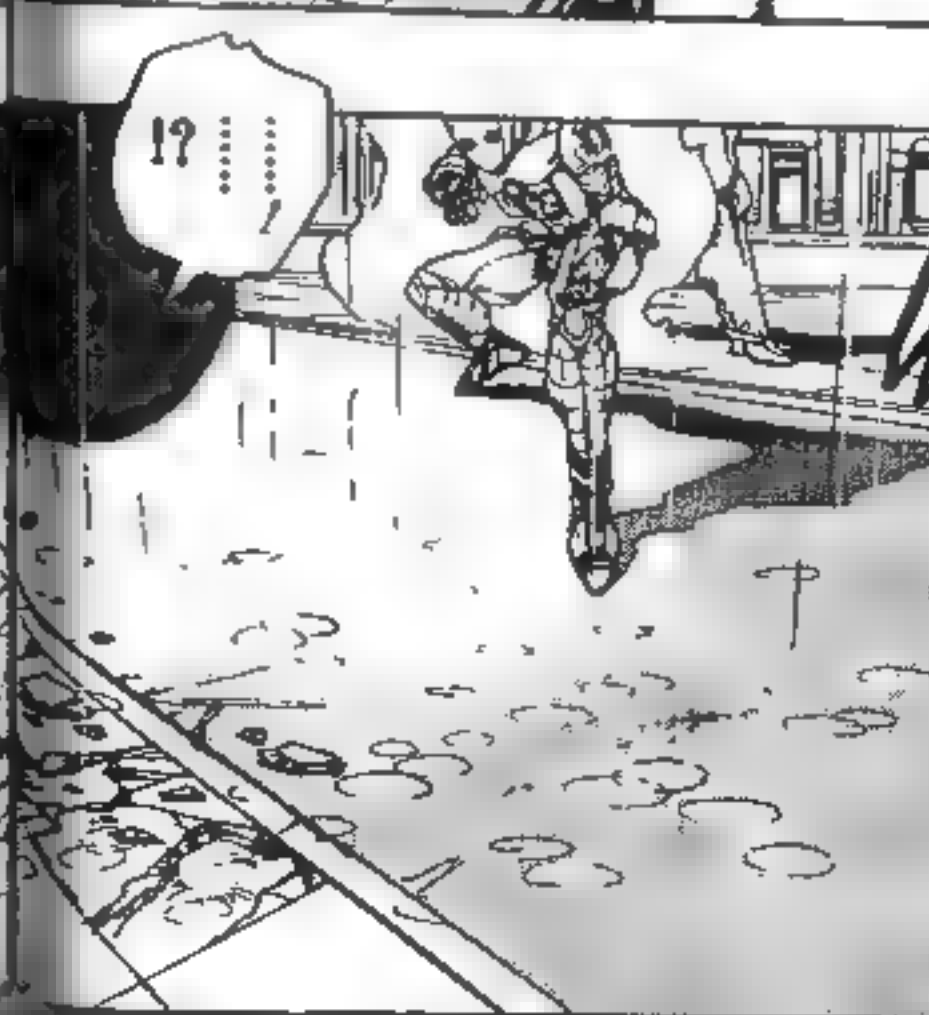

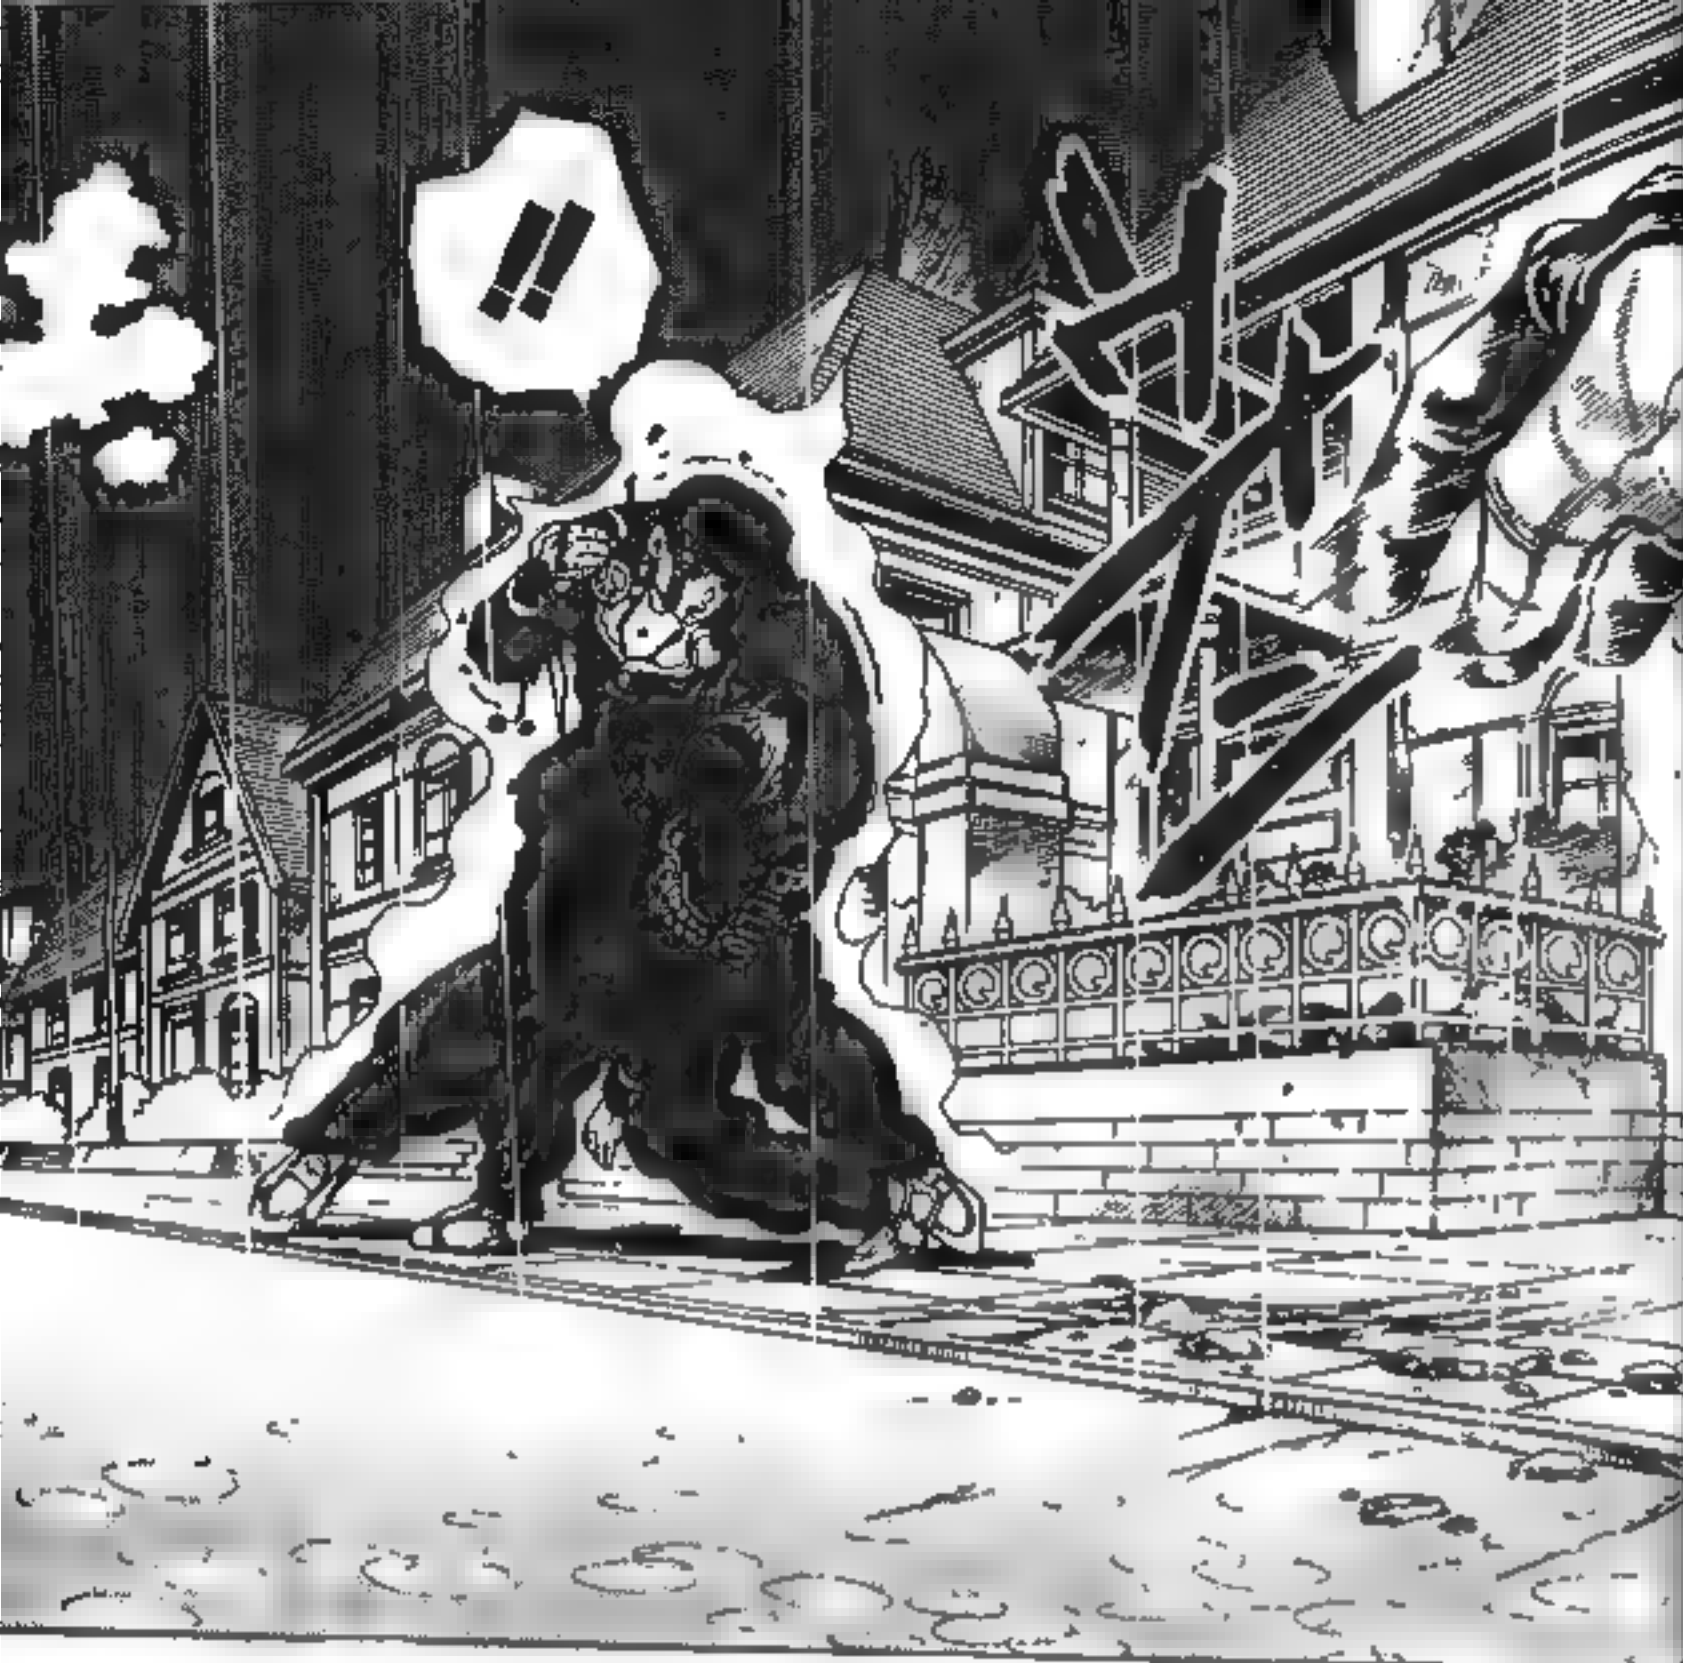

are you not a  
stand user?!

that ability of  
Josuke's....

.....damn.....

7 meters...

JOSUKE!!

Open your eyes!!  
YOU ARE  
FULLY HEALED!!  
OKI YASU, WHY  
DON'T YOU  
OPEN YOUR  
EYES?!

YOU CAN'T  
AFFORD TO  
TAKE THE  
DAMAGE OF  
ANOTHER BOMB!

RUN  
JOSUKE!!

OKI YASU, AREN'T  
YOU HEALED??  
OPEN YOUR  
EYES!!

OKI YASU...

OPEN YOUR  
EYES  
OKUYASU!!!!

8 meters  
till reaching  
target...

GET OUTTA  
THERE  
JOSUKE!!

this might be its vital weakness... it's hard to measure and predict the distance and speed the air bomb is going... if not detonated at the right timing, it will not cause lethal damage...

let me measure very carefully this time..

a transparent air bomb, even I can't see.

run away...  
you have to let go  
of Okuyasu.  
otherwise you will  
be killed

Josuke...  
hurry

SHUT UP!!  
IF YOU WANNA  
RUN,  
THEY GO  
AHEAD!!

OKI YASU ....  
HE HAS  
ALREADY  
BEEN....

damaging radius  
is about 3 meters...

2 meters till...

JOSU KE!!!

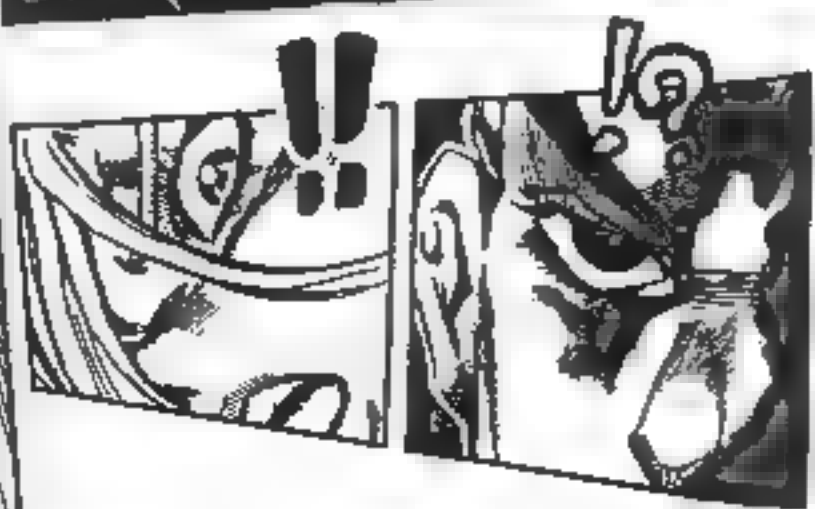

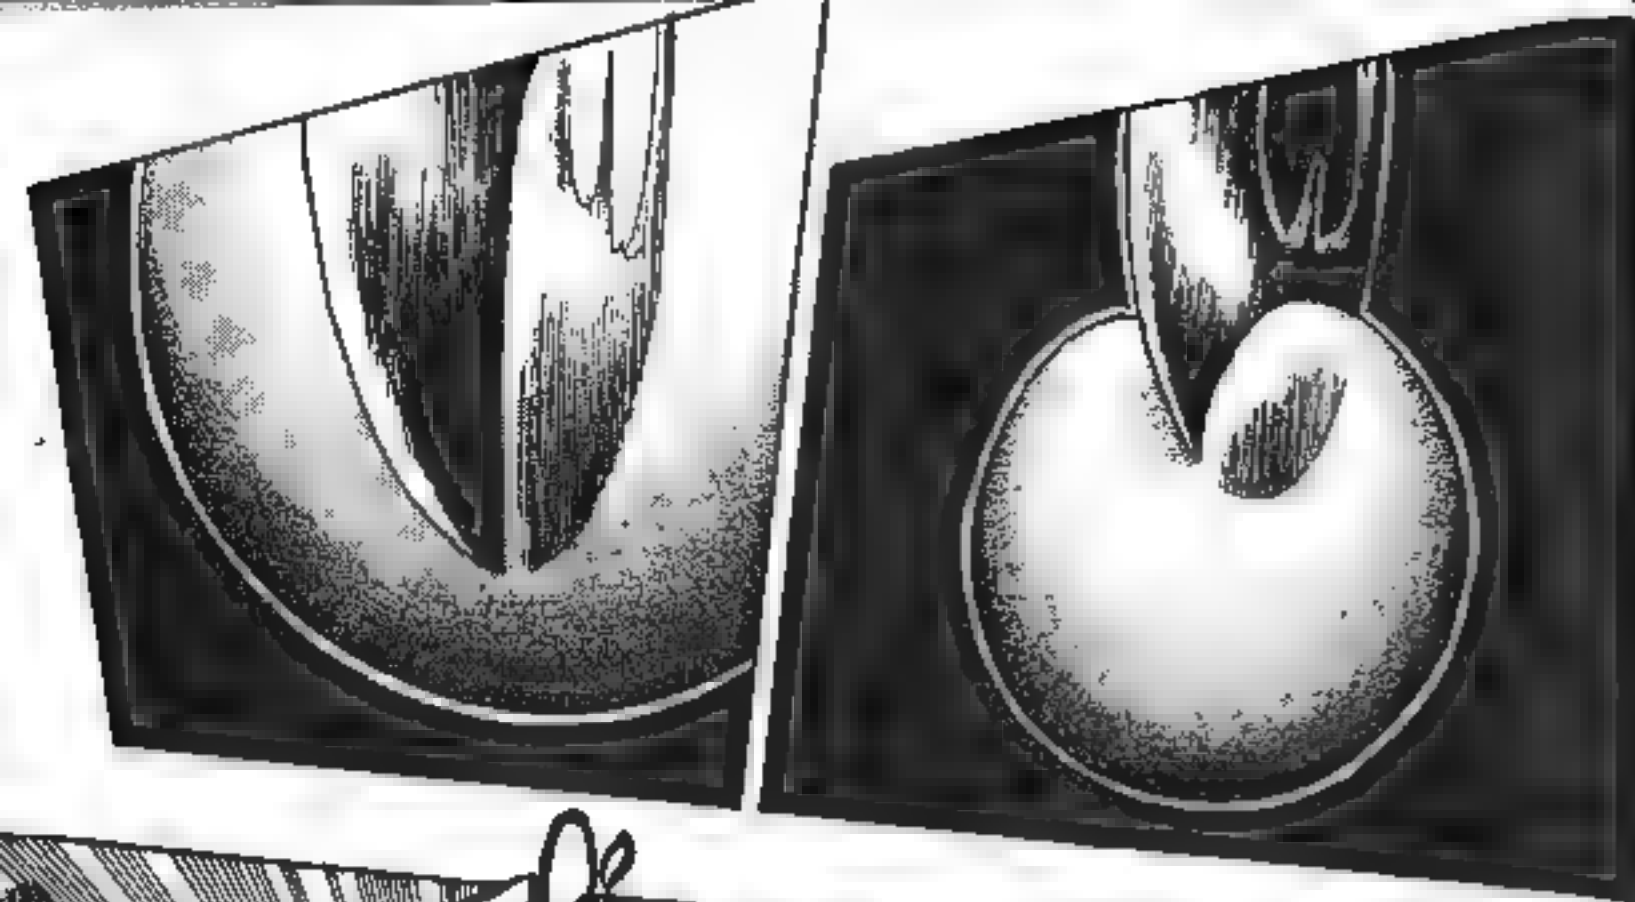

1 meter till  
reaching  
the target....  
gotta make  
this a lethal  
hit...

HOW CAN HE DIE?  
I'VE ALREADY HEALED HIM.  
HE WILL OPEN HIS EYES,  
HE JUST NEEDS A LITTLE  
MORE TIME, I KNOW IT!!

GET OUTTA THERE  
JOSU KE!  
OKUYAUS IS ALREADY  
DEAD!!!

I SEE IT!!  
IT'S ABOUT 2 METERS FROM  
ME RIGHT NOW!!

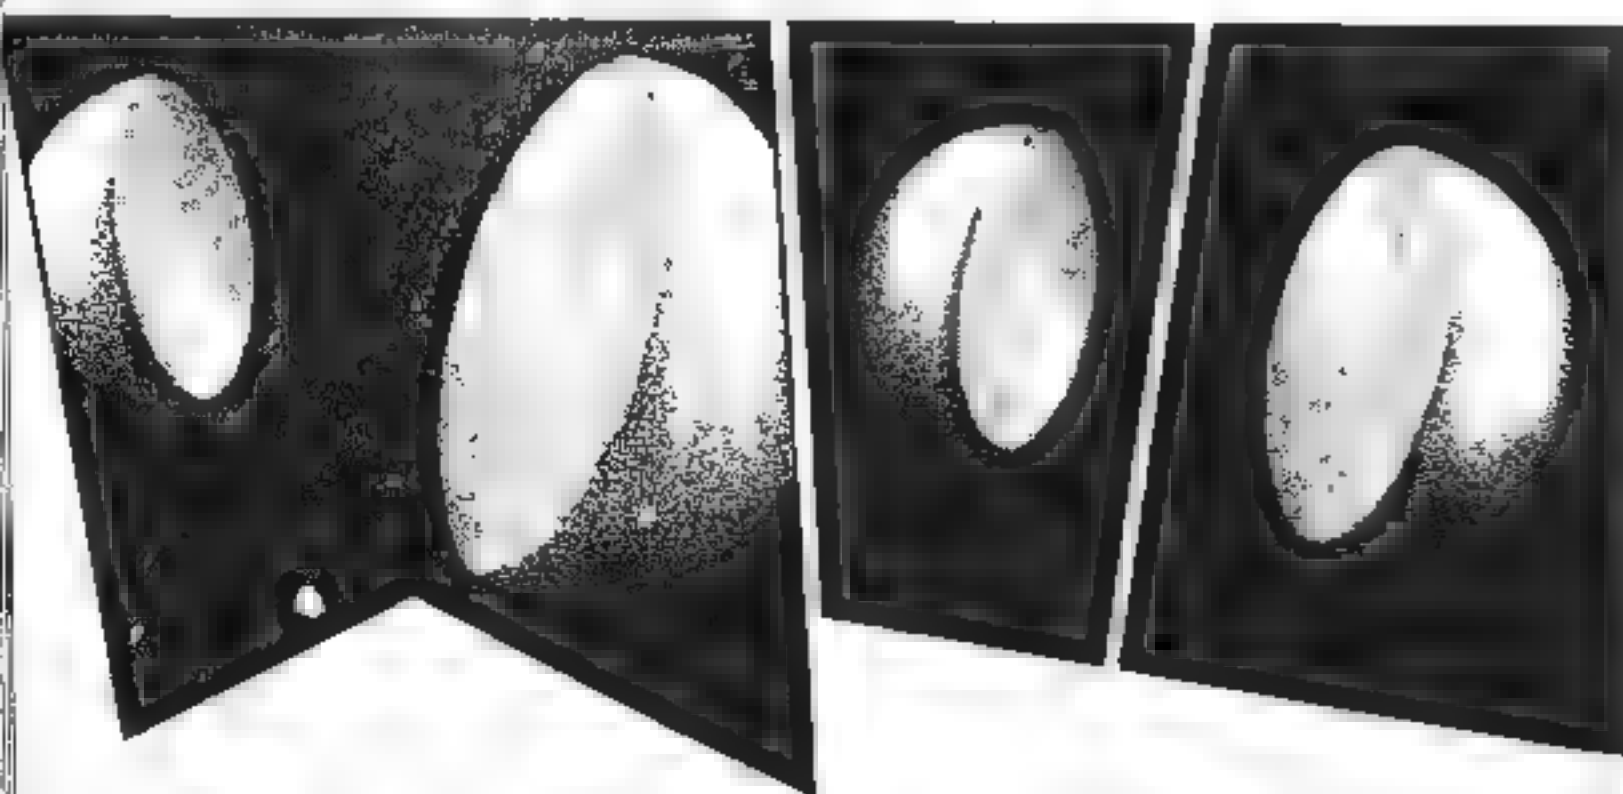

using blood  
as blade....?

how is  
the bomb  
now.?

using blood  
as weapon....

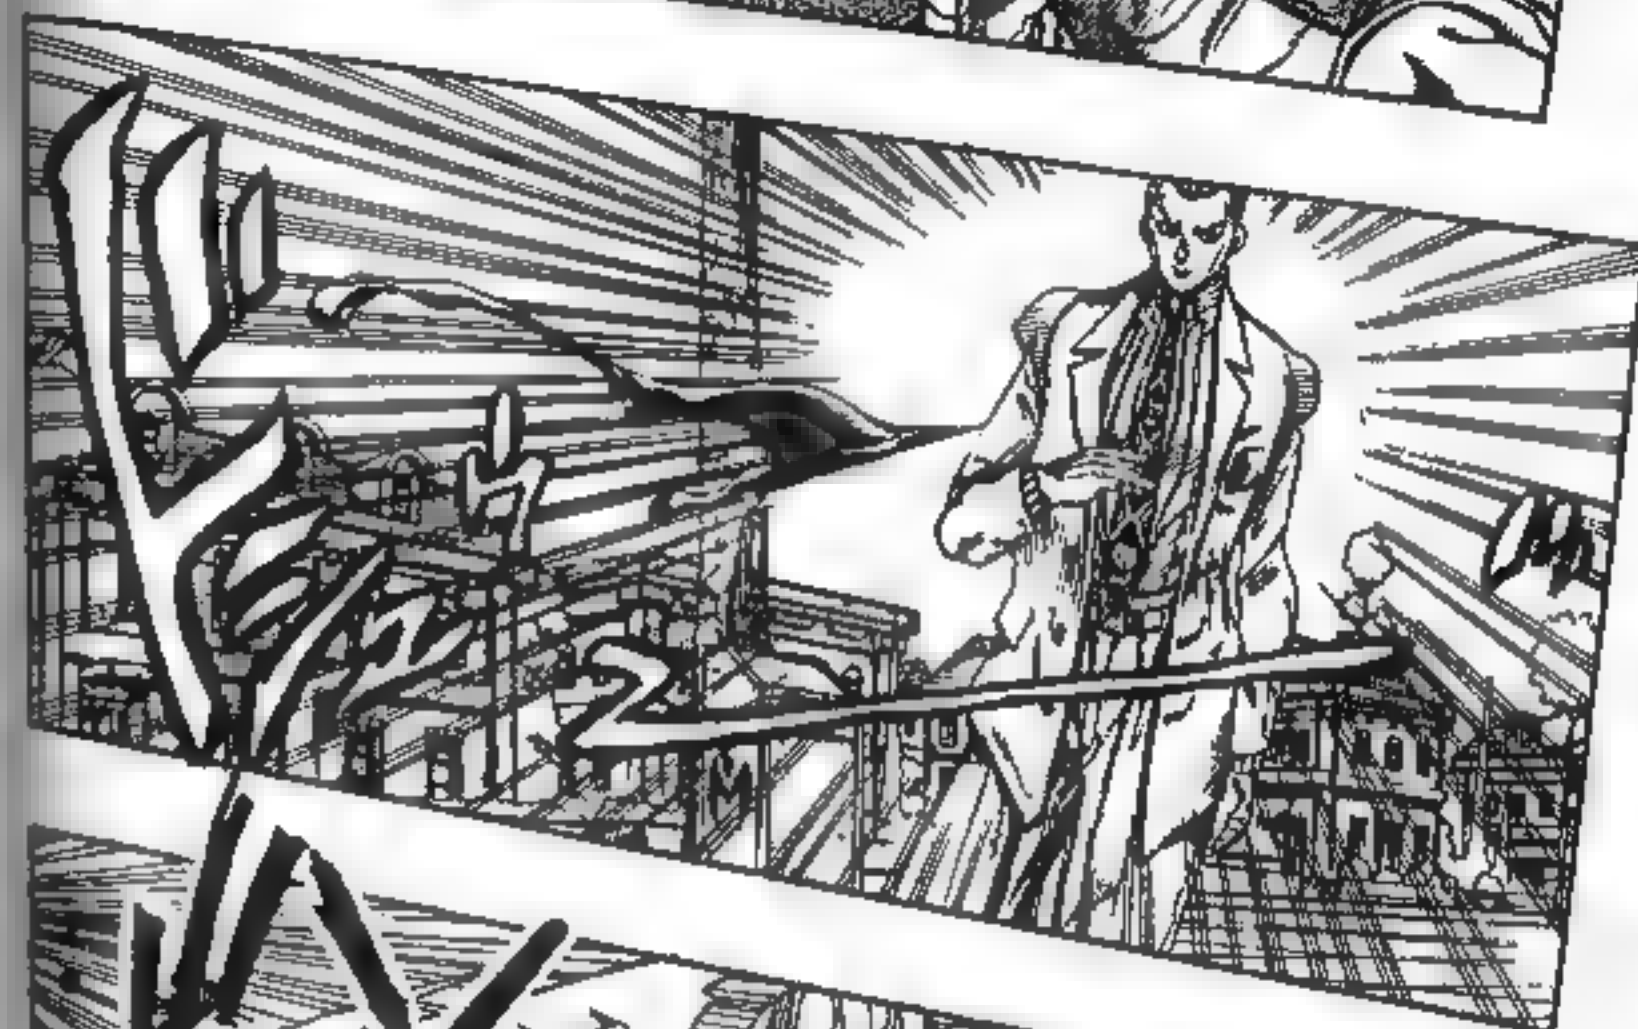

but...

yes, I remember  
using a compass  
to break free  
from Stray Cat's  
air constraints...

Josuke  
splashed his  
blood in such  
force that it  
cut through  
the air bomb...

the bomb was  
cut in half...

KILL  
QUEEN  
DEFENSE!

what?

哇啊啊啊啊  
啊啊！

OK!  
DETONATE!!

咦!?

IT'S STILL  
GOING!!

you can do anything  
you want with the air part...  
but I can still control the  
bomb part...I can still  
detonate the bomb even it's  
been cut in half...

the air is maintained  
by Stray Cat but  
the bomb is  
maintained by  
Killer Queen.

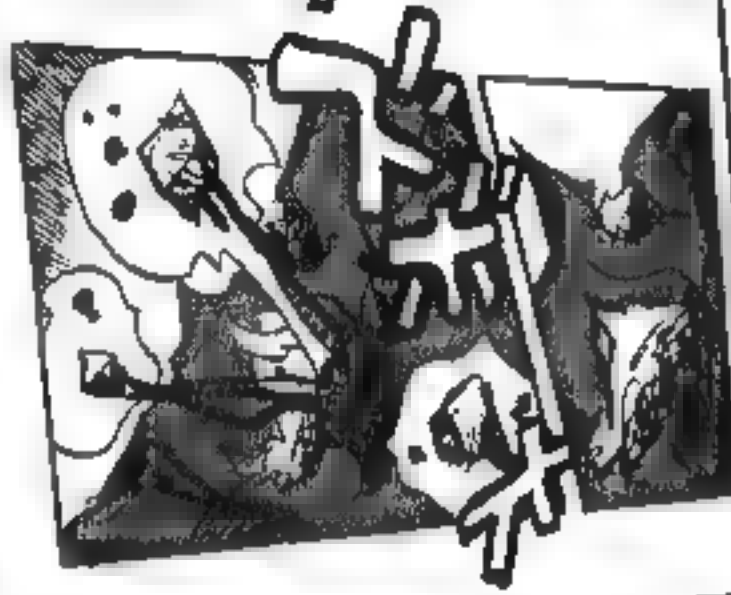

Can't heal  
my wounds...

Crazy  
Diamond...

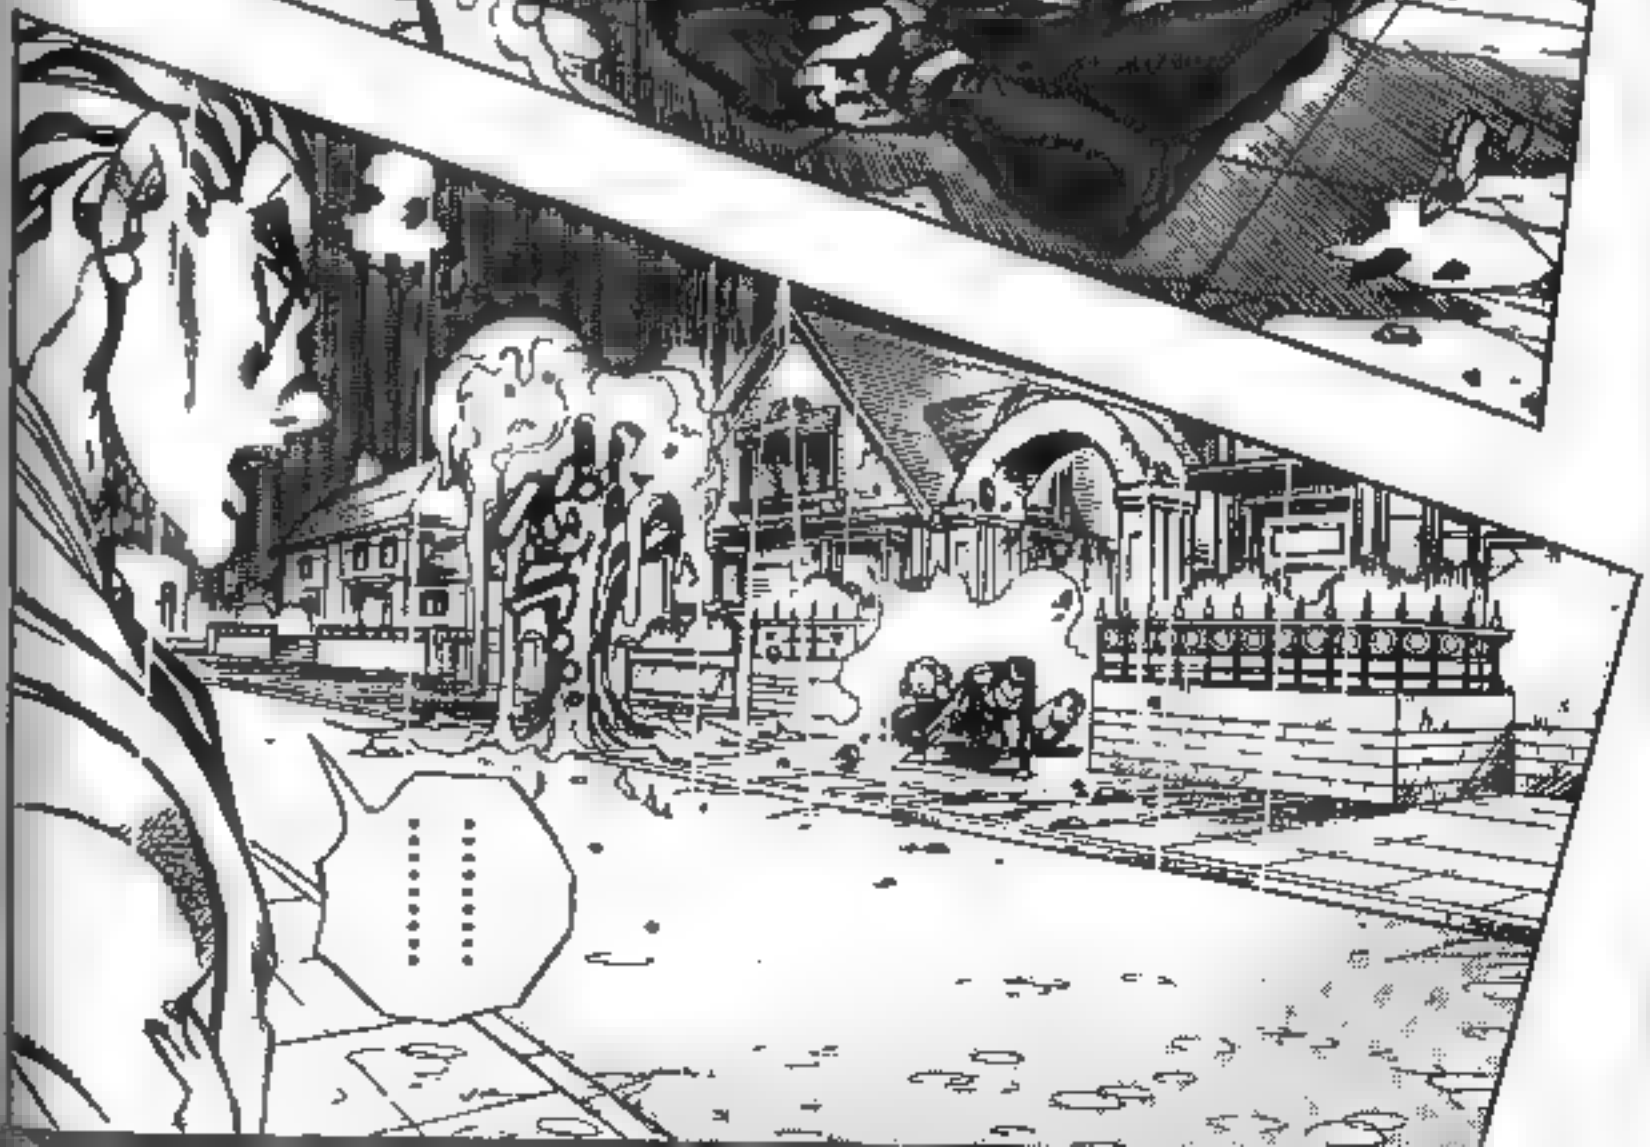

but the pieces  
of the tiles you  
blew up...

I can restore these  
pieces...

using these  
pieces...

to drag my  
body...

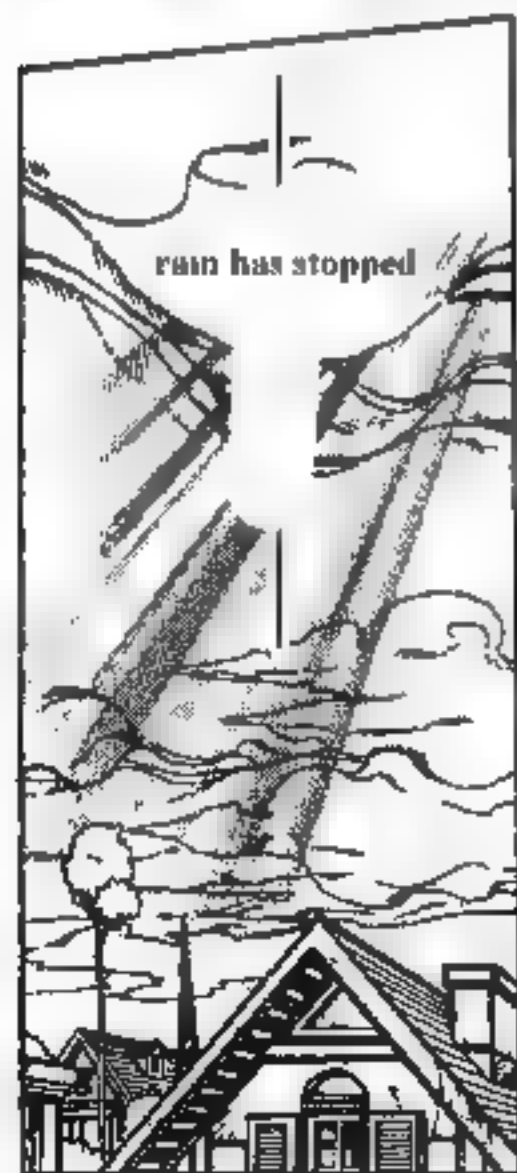

YOU NEED TO  
THINK ABOUT HOW  
TO DEFEAT THAT  
MONSTER!!

shut up...

No...

This is  
not  
happening...

rain has stopped

if not for  
Josuke, I will  
be invincible...

that healing  
power...

I hate  
it!

my biggest concern  
shouldn't be Jotaro  
Kujo but Josuke  
Higashikata!

Josuke...

go in there  
and hide...

for  
Okuyasu...

even it  
is...

somebody  
else's house

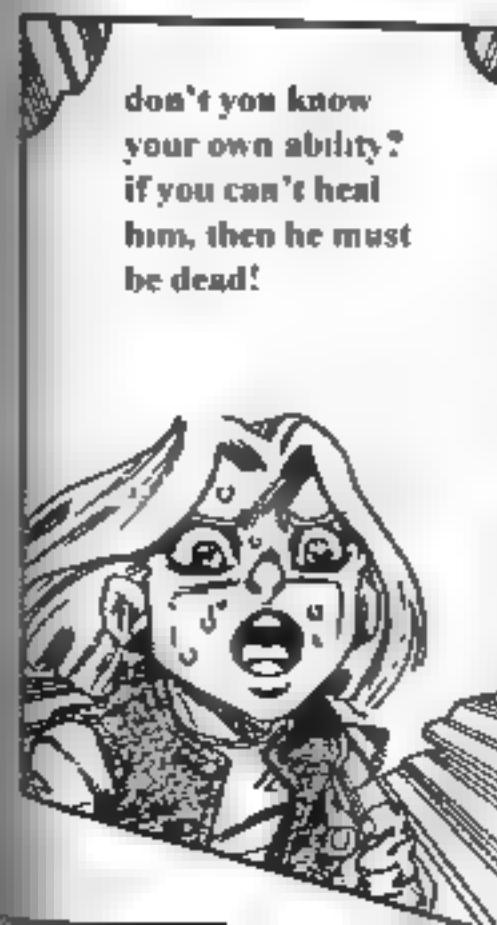

why don't  
you just  
shut up  
Hayato?!

if he catches  
up to us...  
we will  
all be dead.

if you carry  
Okuyasu...  
you can't  
escape..

Josuke...  
please let  
Okuyasu  
go...

you can't  
survive  
the next bomb  
with Okuyasu

don't you know  
your own ability?  
if you can't heal  
him, then he must  
be dead!

it's not the time  
to talk about this  
right now, he's  
already dead!

he's my best  
friend, you  
won't  
understand...

Okuyasu...

無敵的・瘋狂鑽石

無敵的

IT JUST PASSED  
THROUGH THE  
WALL AND  
IT'S GOING  
TOWARD YOU  
RIGHT NOW!!

AIR  
BOMB!!

BUT HOW  
DID HE????  
HE SHOULDN'T  
BE ABLE TO  
SEE US!

IT'S THE  
SAME  
SIZE!

.....

JOSUKE!!

.....

Josuke...

I know  
your  
position...

great...

3 meters  
from target

the house will  
provide you with  
nothing, it's even  
harder to maneuver  
in there than out  
here.

WE ARE NOT  
STANDING NEAR  
A WINDOW! HOW  
DOES HE KNOW  
HERE YOU ARE?!

IT'S GOING TOWARD  
YOU!

by the time you  
see the air bomb,  
it will be too late!

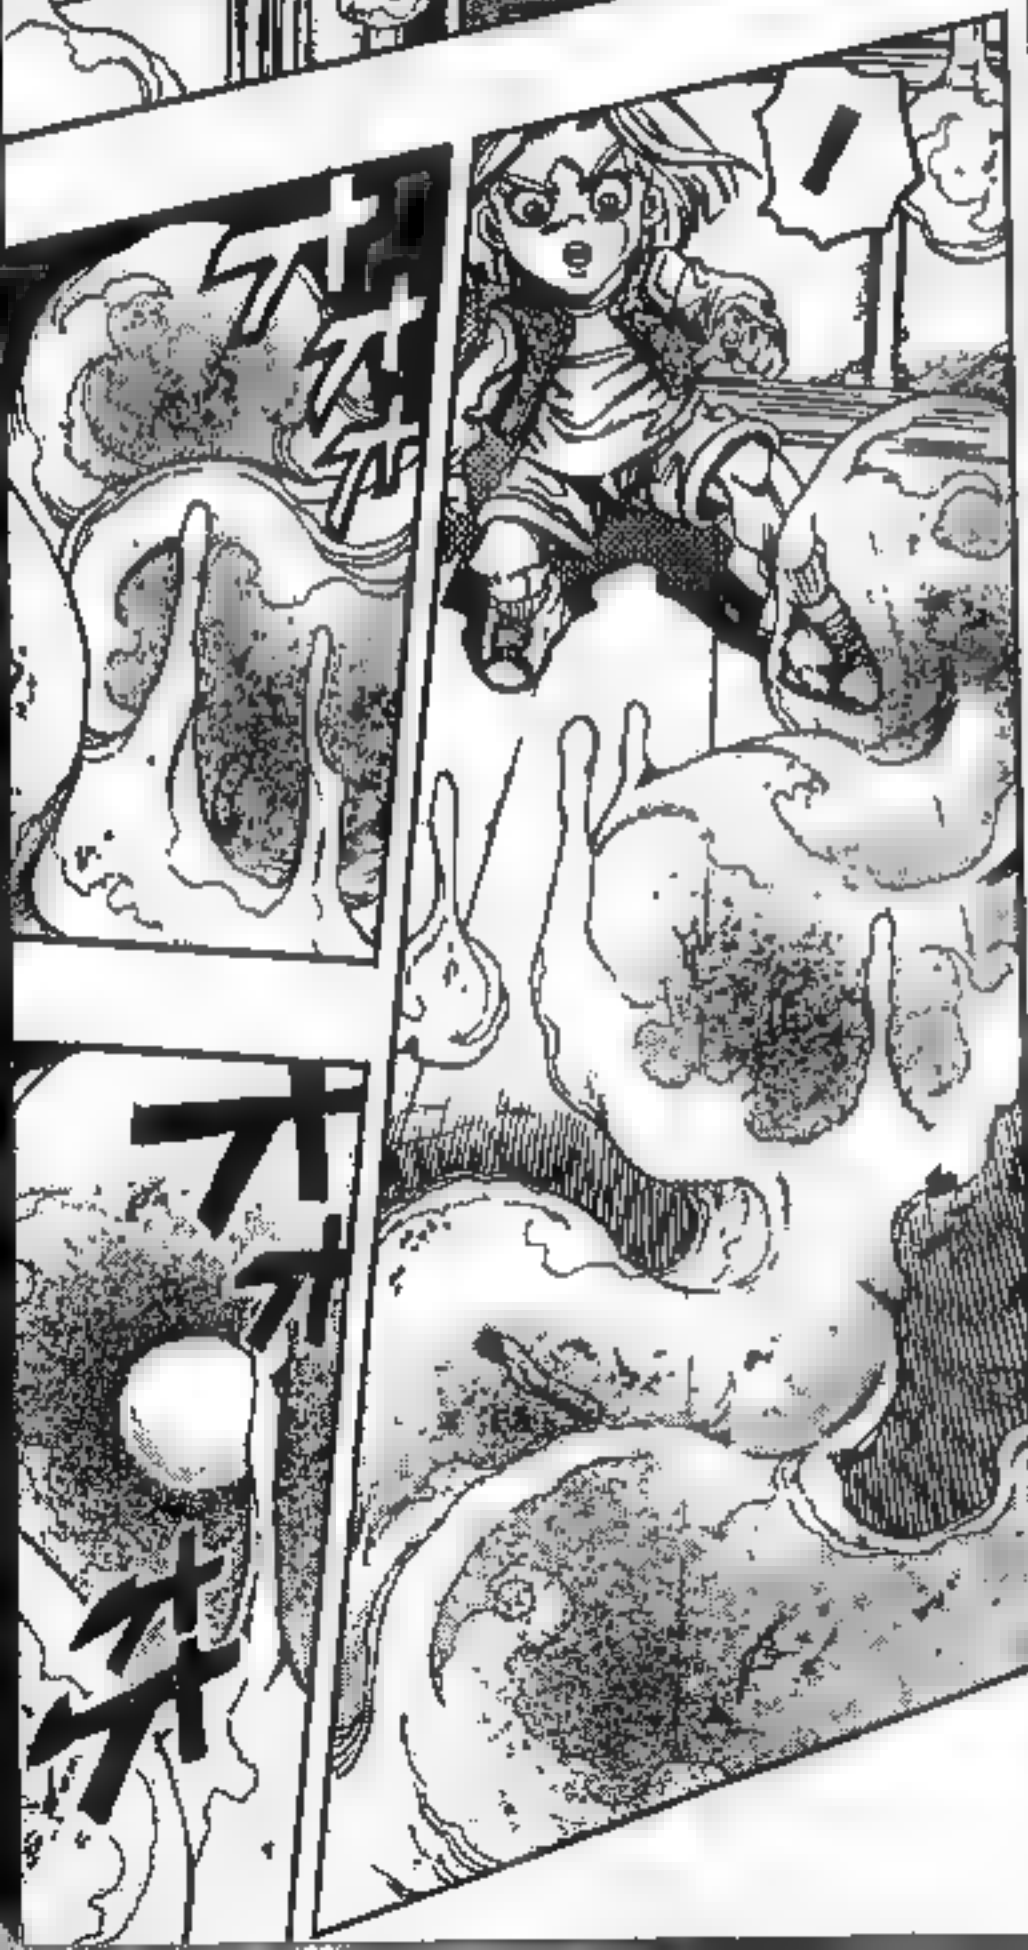

無敵的。  
瘋狂鑽石

flying  
toward  
you!

It's  
the same  
size!

he shouldn't  
know how  
you are  
moving  
in the  
house!

great!  
it's easy  
to dodge

He is just  
guessing your  
position!

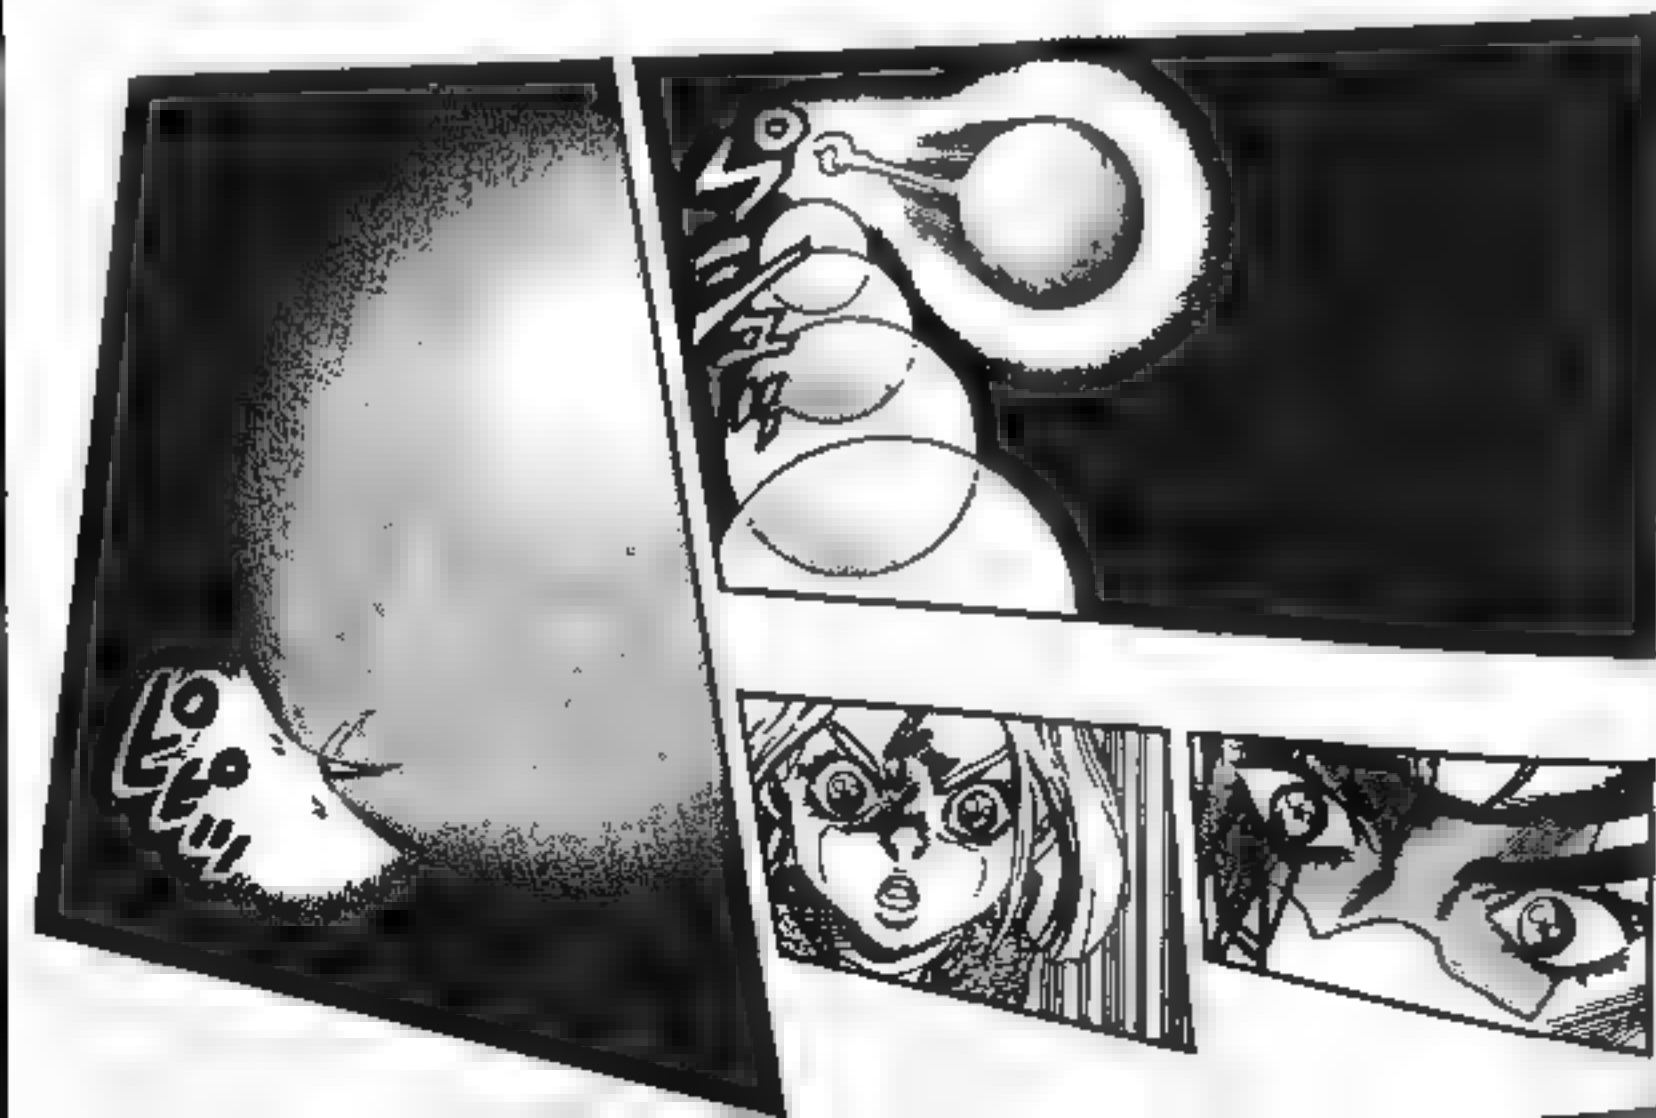

I think he only  
knows my  
approximate  
position...

we can use  
stuff in the  
house to our  
advantage!

I can see  
it now!!

see it!

otherwise  
it wouldn't  
move this  
fast!

that bastard  
knows my  
exact  
position.

find out where  
he is, is he  
in the house?

IT'S  
CHASING  
YOU!

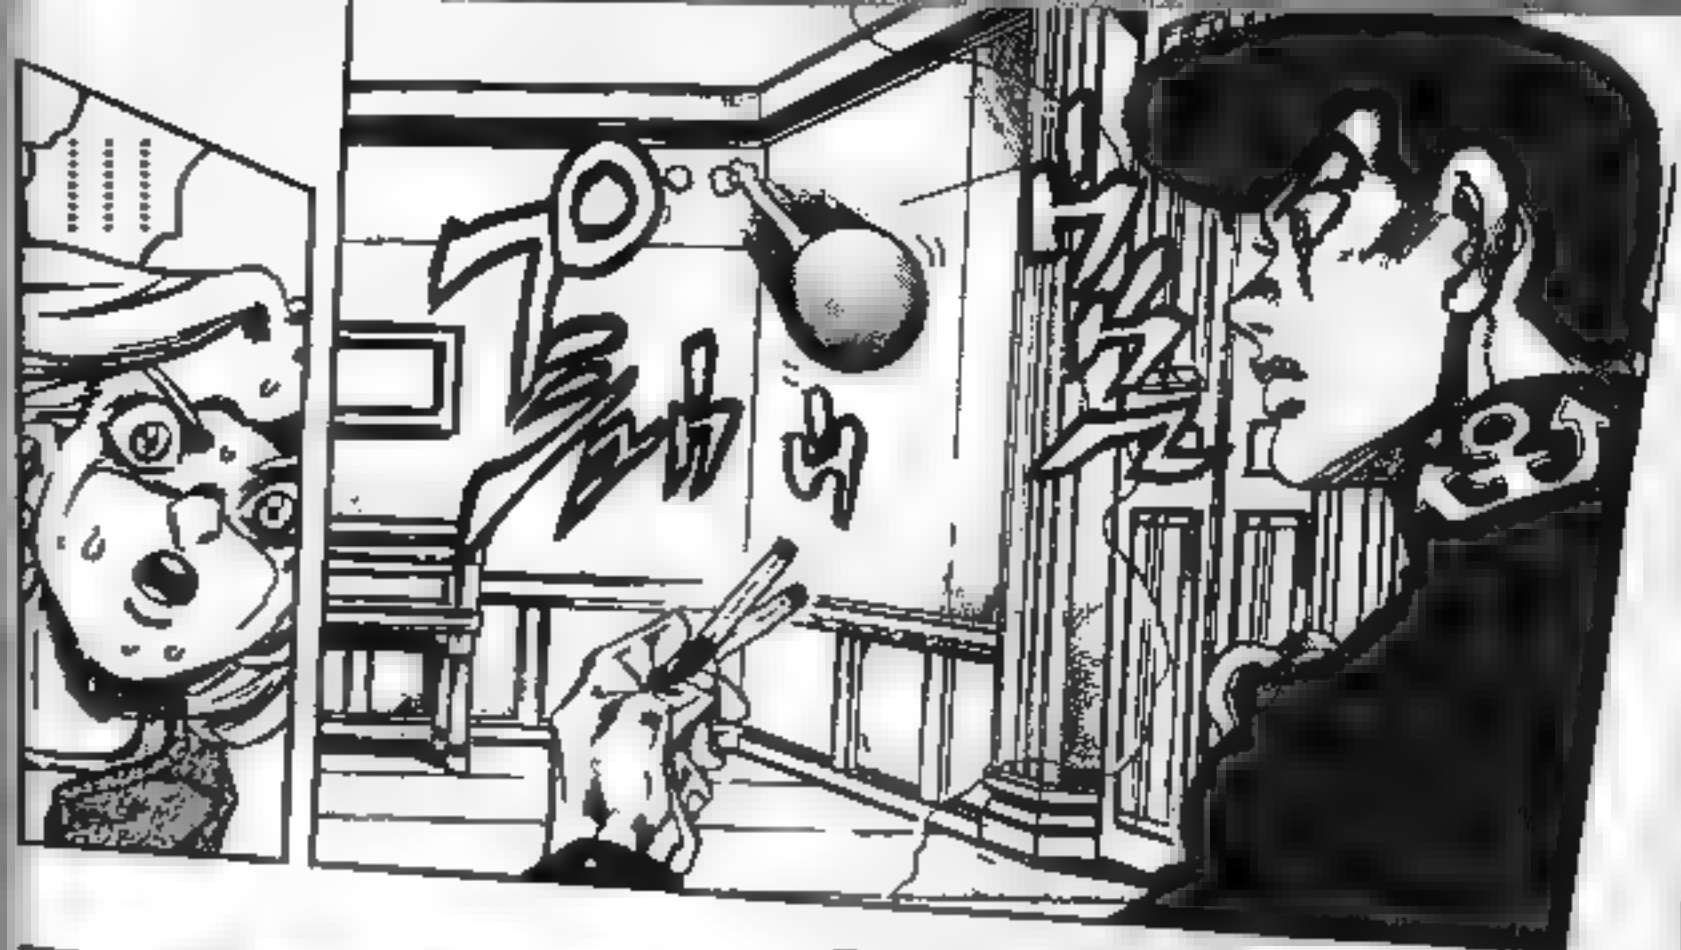

IT..

IT MUST  
BE  
AUTOMATIC

IT'S  
CHASING  
YOU  
AUTOMA-  
TICALLY!

THE WINDOWS  
ARE CLOSED!  
IT'S  
IMPOSSIBLE  
TO SEE US  
FROM THE  
OUTSIDE!

what...

FIND OUT  
WHERE HE'S  
WATCHING  
US!

FIND  
HIM!

IT'S GETTING  
FASTER!  
JOSU KE,  
RUN FASTER!

it seeks the object  
with the highest  
temperature... but  
the air bomb didn't  
go after the cigarette

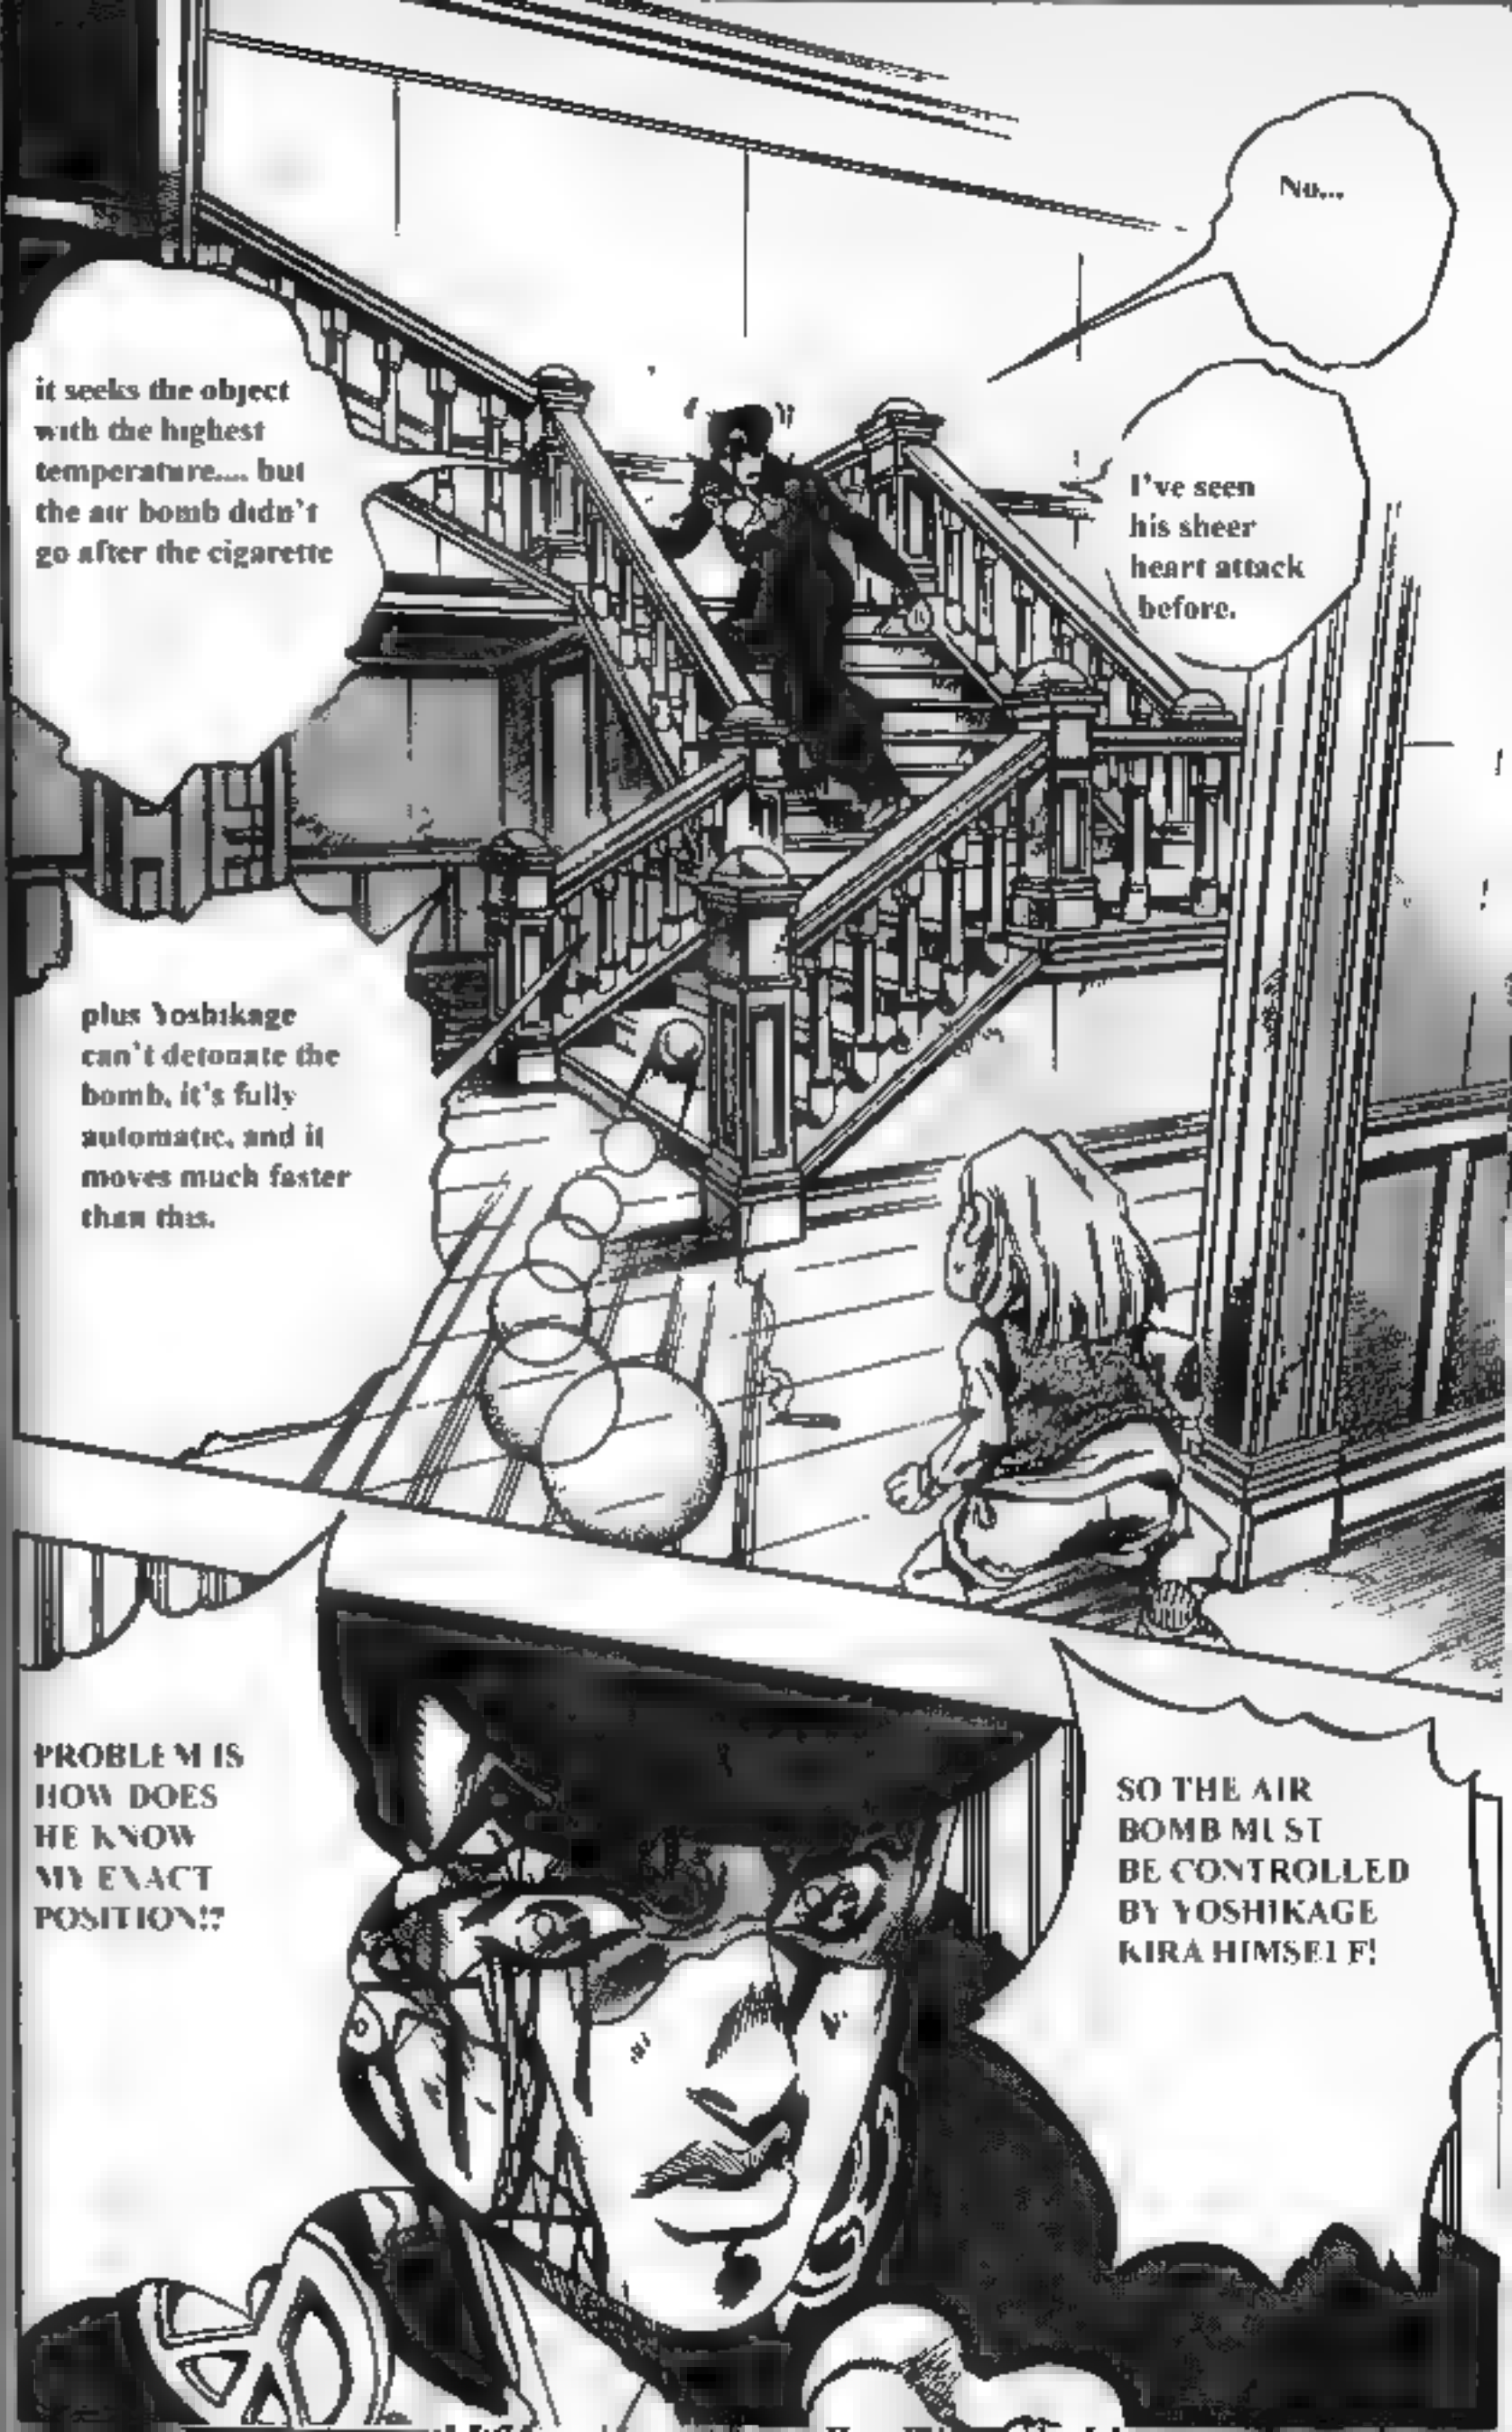

plus Yoshikage  
can't detonate the  
bomb, it's fully  
automatic, and it  
moves much faster  
than this.

No...

I've seen  
his sheer  
heart attack  
before.

PROBLEM IS  
HOW DOES  
HE KNOW  
MY EXACT  
POSITION!?

SO THE AIR  
BOMB MUST  
BE CONTROLLED  
BY YOSHIKAGE  
KIRA HIMSELF!

you said  
he's outside?

2 meters

will  
reaching  
the  
target.

I CAN'T  
UNDERSTAND THIS,  
HOW CAN BE  
SO FAR AWAY  
AND KNOW YOUR  
EXACT POSITION  
WITHOUT LOOKING?

DON'T  
STOP!  
KEEP  
MOVING!

he's so far away...  
how can this  
be, I thought  
he will be  
somewhere in  
the house...

he's so  
easily  
discovered...

there!

Hayato!  
have you  
found him  
yet?!

he's  
right  
outside  
the window!

how does  
he know  
Josuke's  
position.

CRAZY  
DIAMOND!

I will  
not lose  
so easily!

bastard, I don't  
know how you  
are doing this...

I meter...

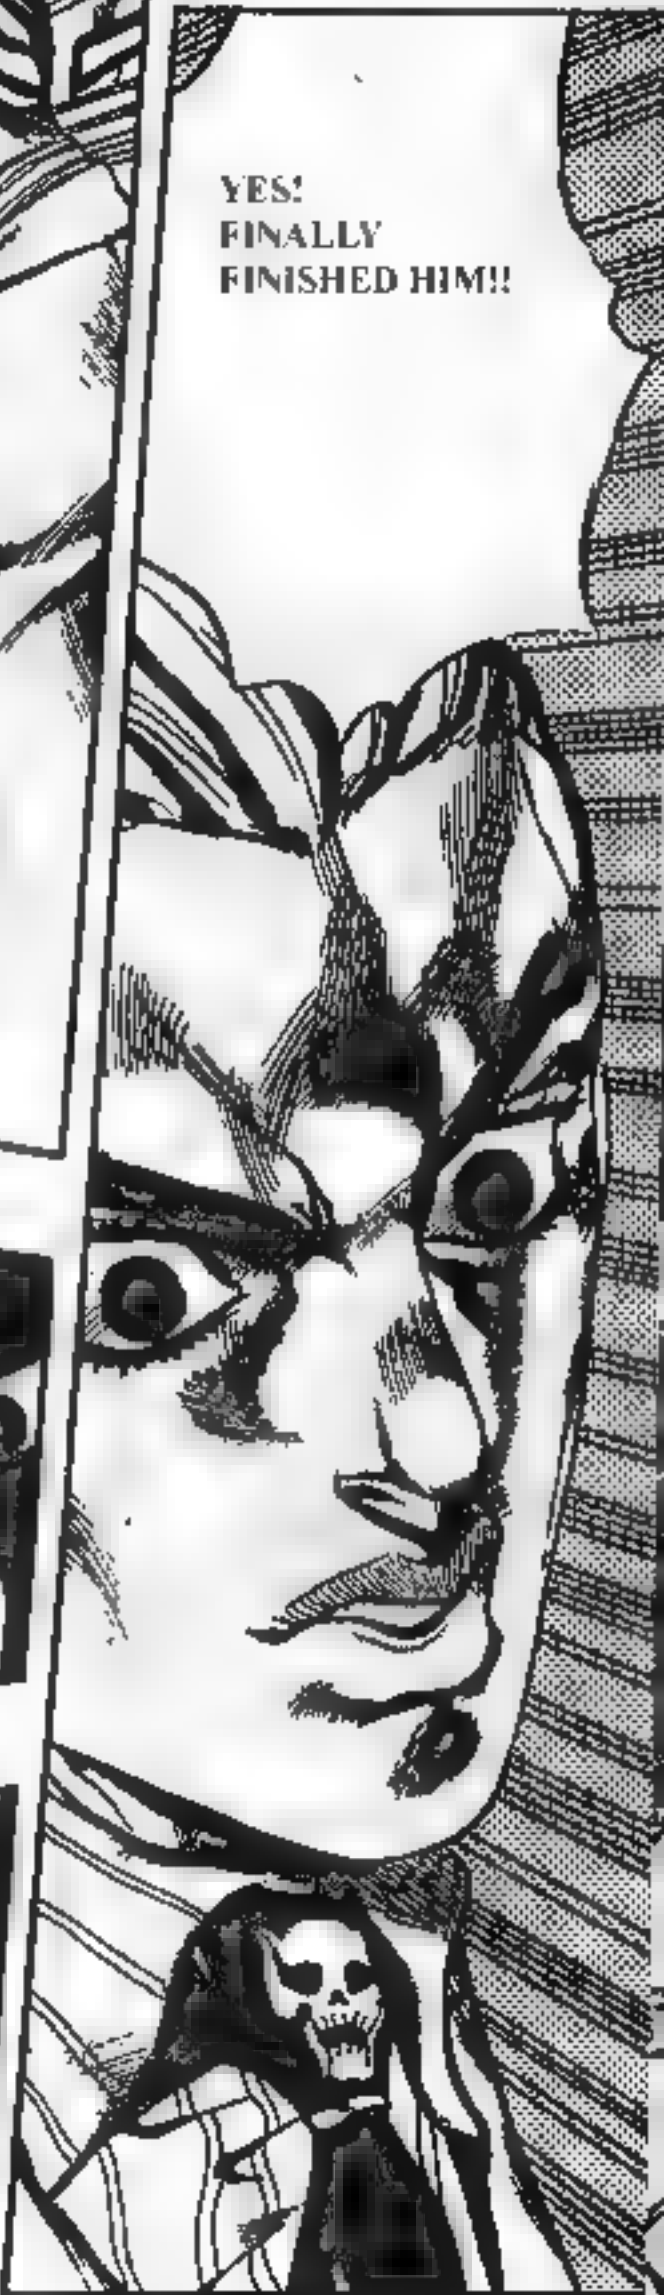

I knew  
you have super human  
mental strength, you  
will not give up till the  
last minute... so I will  
not approach you so  
easily...

I knew  
something  
like that  
was coming

that  
was  
close...

YES!  
FINALLY  
FINISHED HIM!!

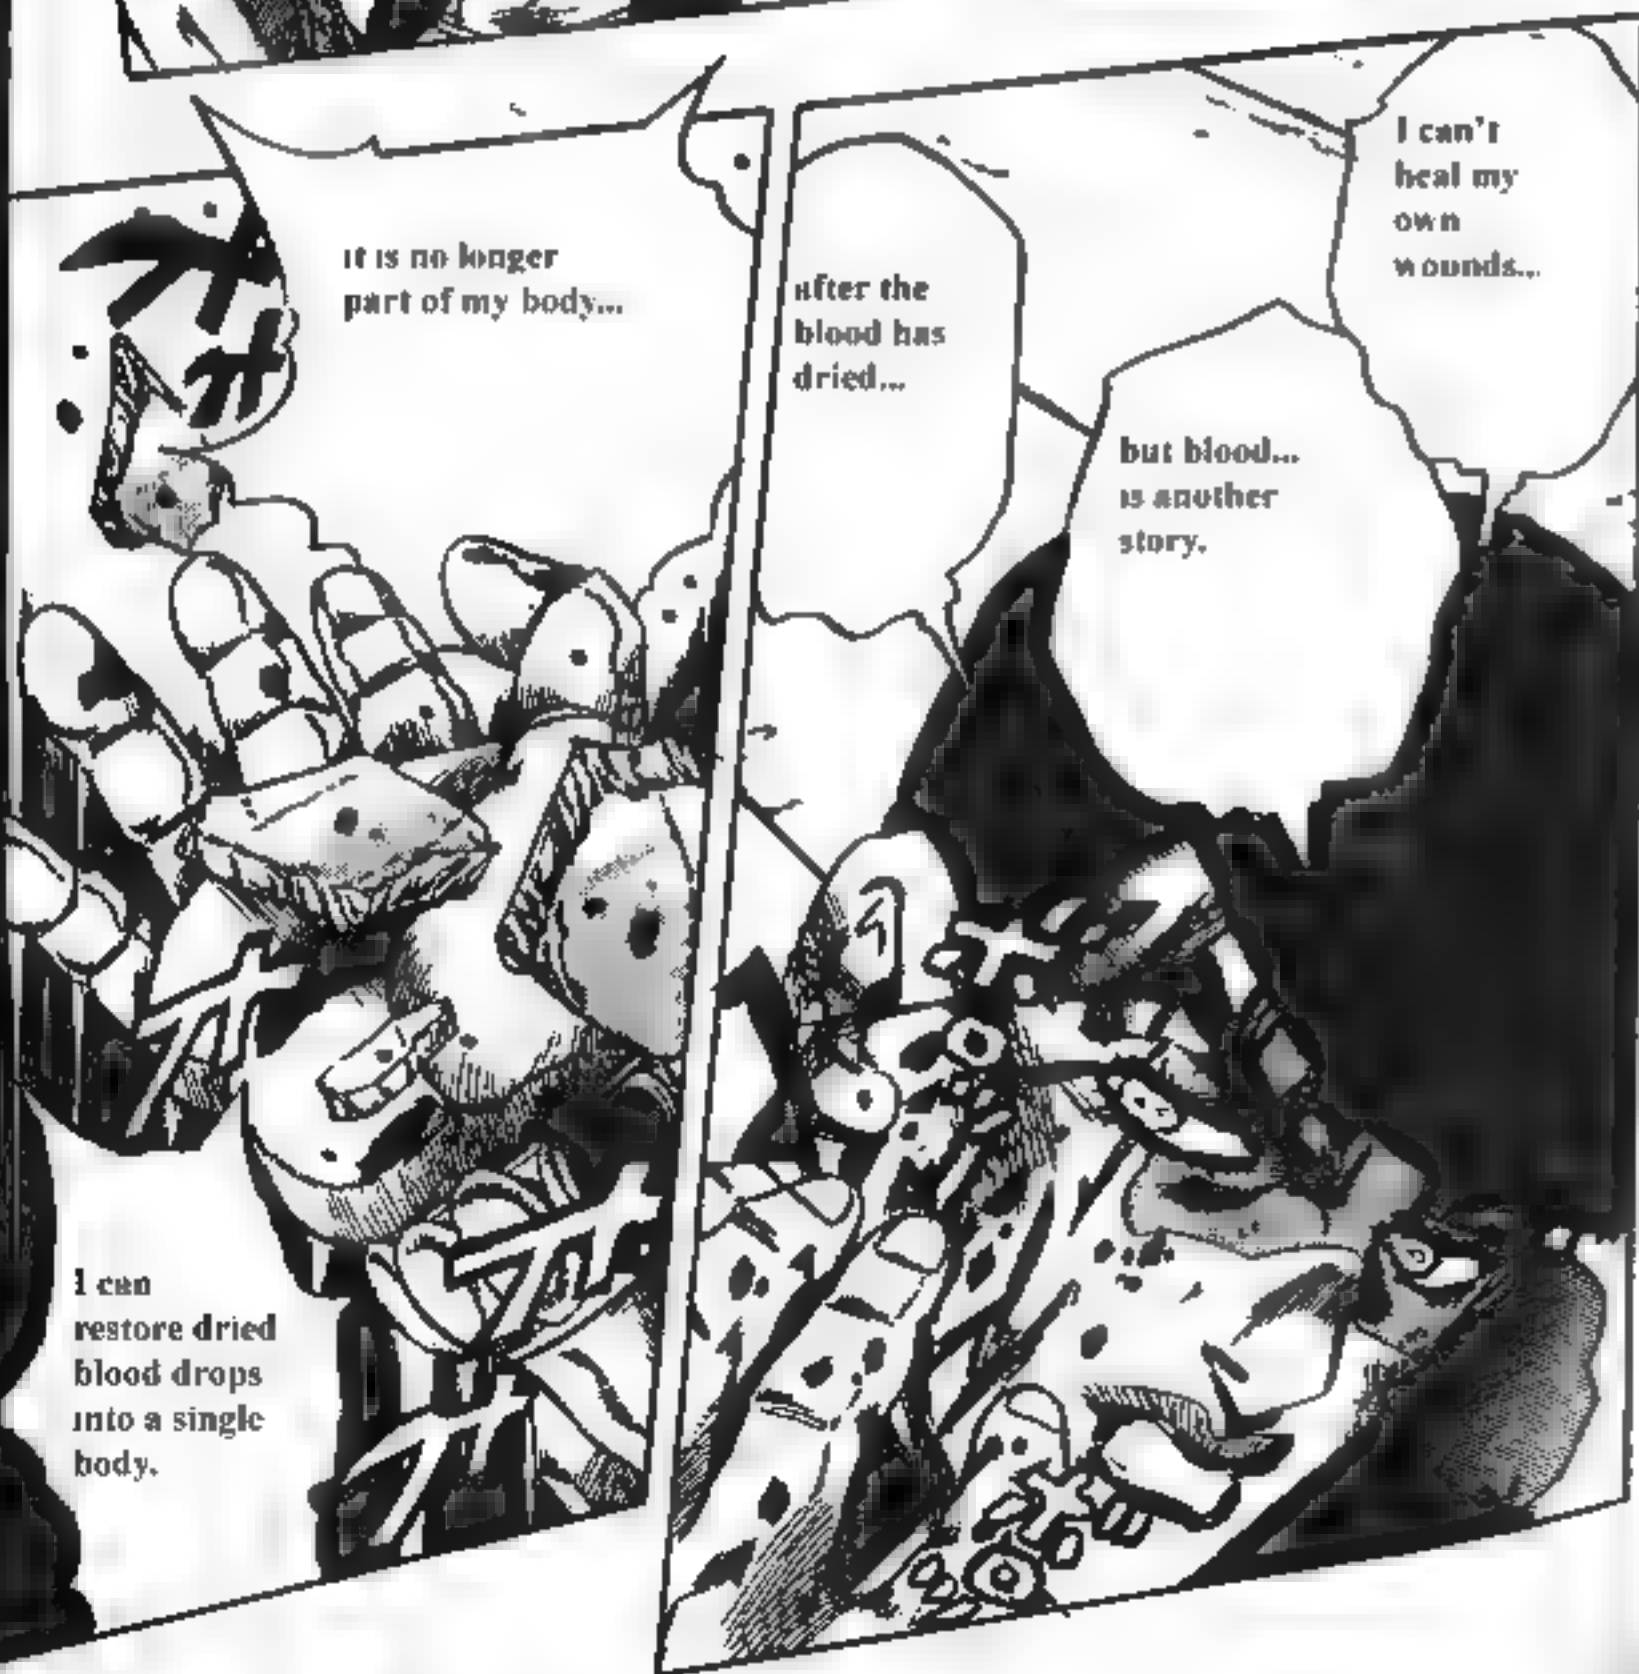

the direction  
of that  
bastard!

Not that  
way...

the other  
way...

it is no longer  
part of my body...

after the  
blood has  
dried...

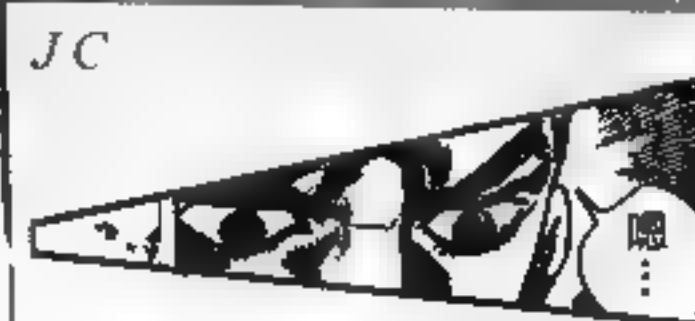

I can't  
heal my  
own  
wounds...

but blood...  
is another  
story.

I can  
restore dried  
blood drops  
into a single  
body.

FIRE THE  
NEXT  
AIR  
BOMB!!

? he is  
still alive?

air bomb  
missed the  
target  
slightly...

but... he is not  
in any kind of  
good shape...  
his leg and stomach  
are punctured by  
wooden sticks...  
he can't move  
at all

JOSU KE!!  
WHAT

hit...

ANOTHER  
AIR  
BOMB!

JUST ONE MORE!

I, YOSHIKAGE KIRA,  
WILL WIN THIS  
FIGHT!!

When he cut  
my air bomb with  
his blood, it left  
drops of blood on  
my shirt...

is this

But from the last  
explosion, he should  
be in worse shape  
than me!

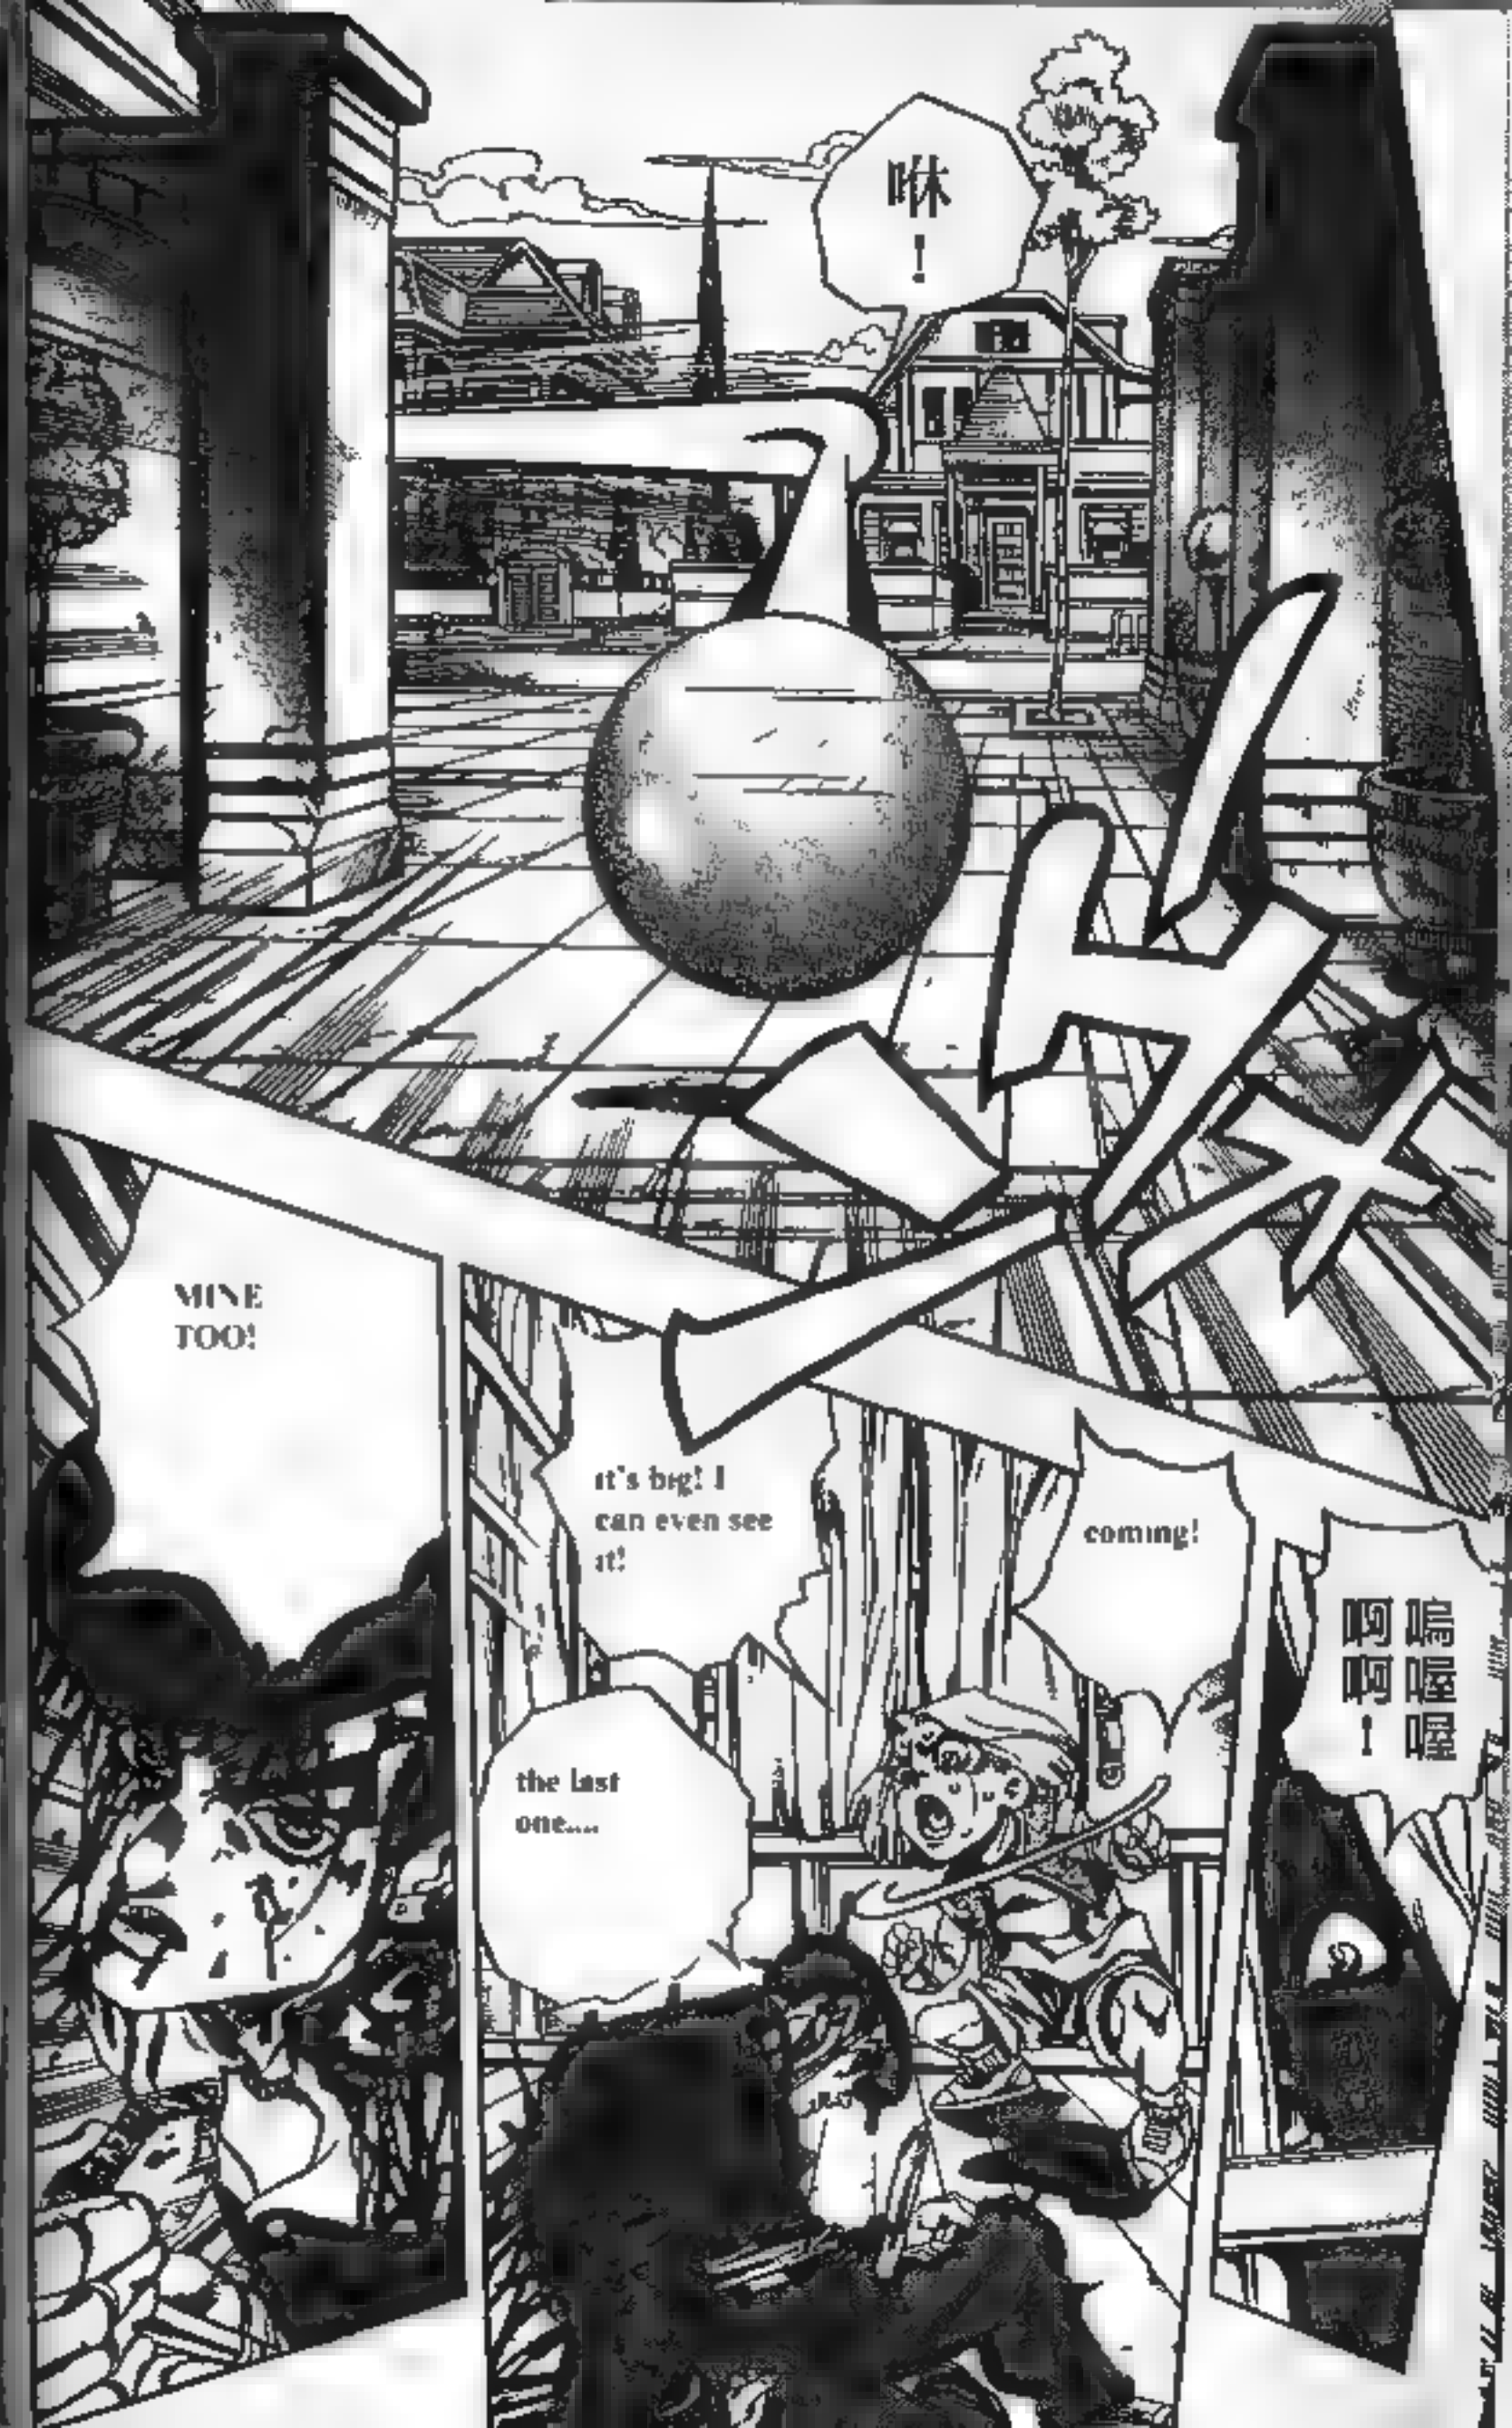

Hayato, I have a lighter in my pocket can you get it out for me?

how do you know?

Yoshikage will not be fooled with the same trick twice!!

your glass trick will be useless!

the wooden stick is in my lung, I can't move at all...

咻!

MINE TOO!

it's big! I can even see it!

coming!

the last one...

啊啊喔！

Josuke?

Ja.

!? ?

Hayato..  
don't  
move...

even when  
I am moving  
in the house

how does he  
know my  
exact  
position?

hayato..  
come  
here...

instead... he  
listened...

I think he  
didn't look at  
all.

the purpose  
of the  
lighter is...

he knows you  
can't move!  
so he doesn't  
care if you see  
it or not! why  
don't you think  
about how to  
evade this one!

you can already  
see it, what are  
you gonna do

not for the

knows

I was walking in the dark...

Okuyasu...

incredible

his heart wasn't even beating, how is he still alive?

"I want to go to Morioh" then I woke up.

It's a boring dream eh?

He told me "Okuyasu, there are things you will have to decide for yourself, you have to walk your own path, now where do you want to go?"

situation doesn't  
look to good.

at this time...

IT'S YOUR FAULT!  
DIDN'T GET YOUR  
BITCH ASS UP  
AND FIGHT WITH  
ME!

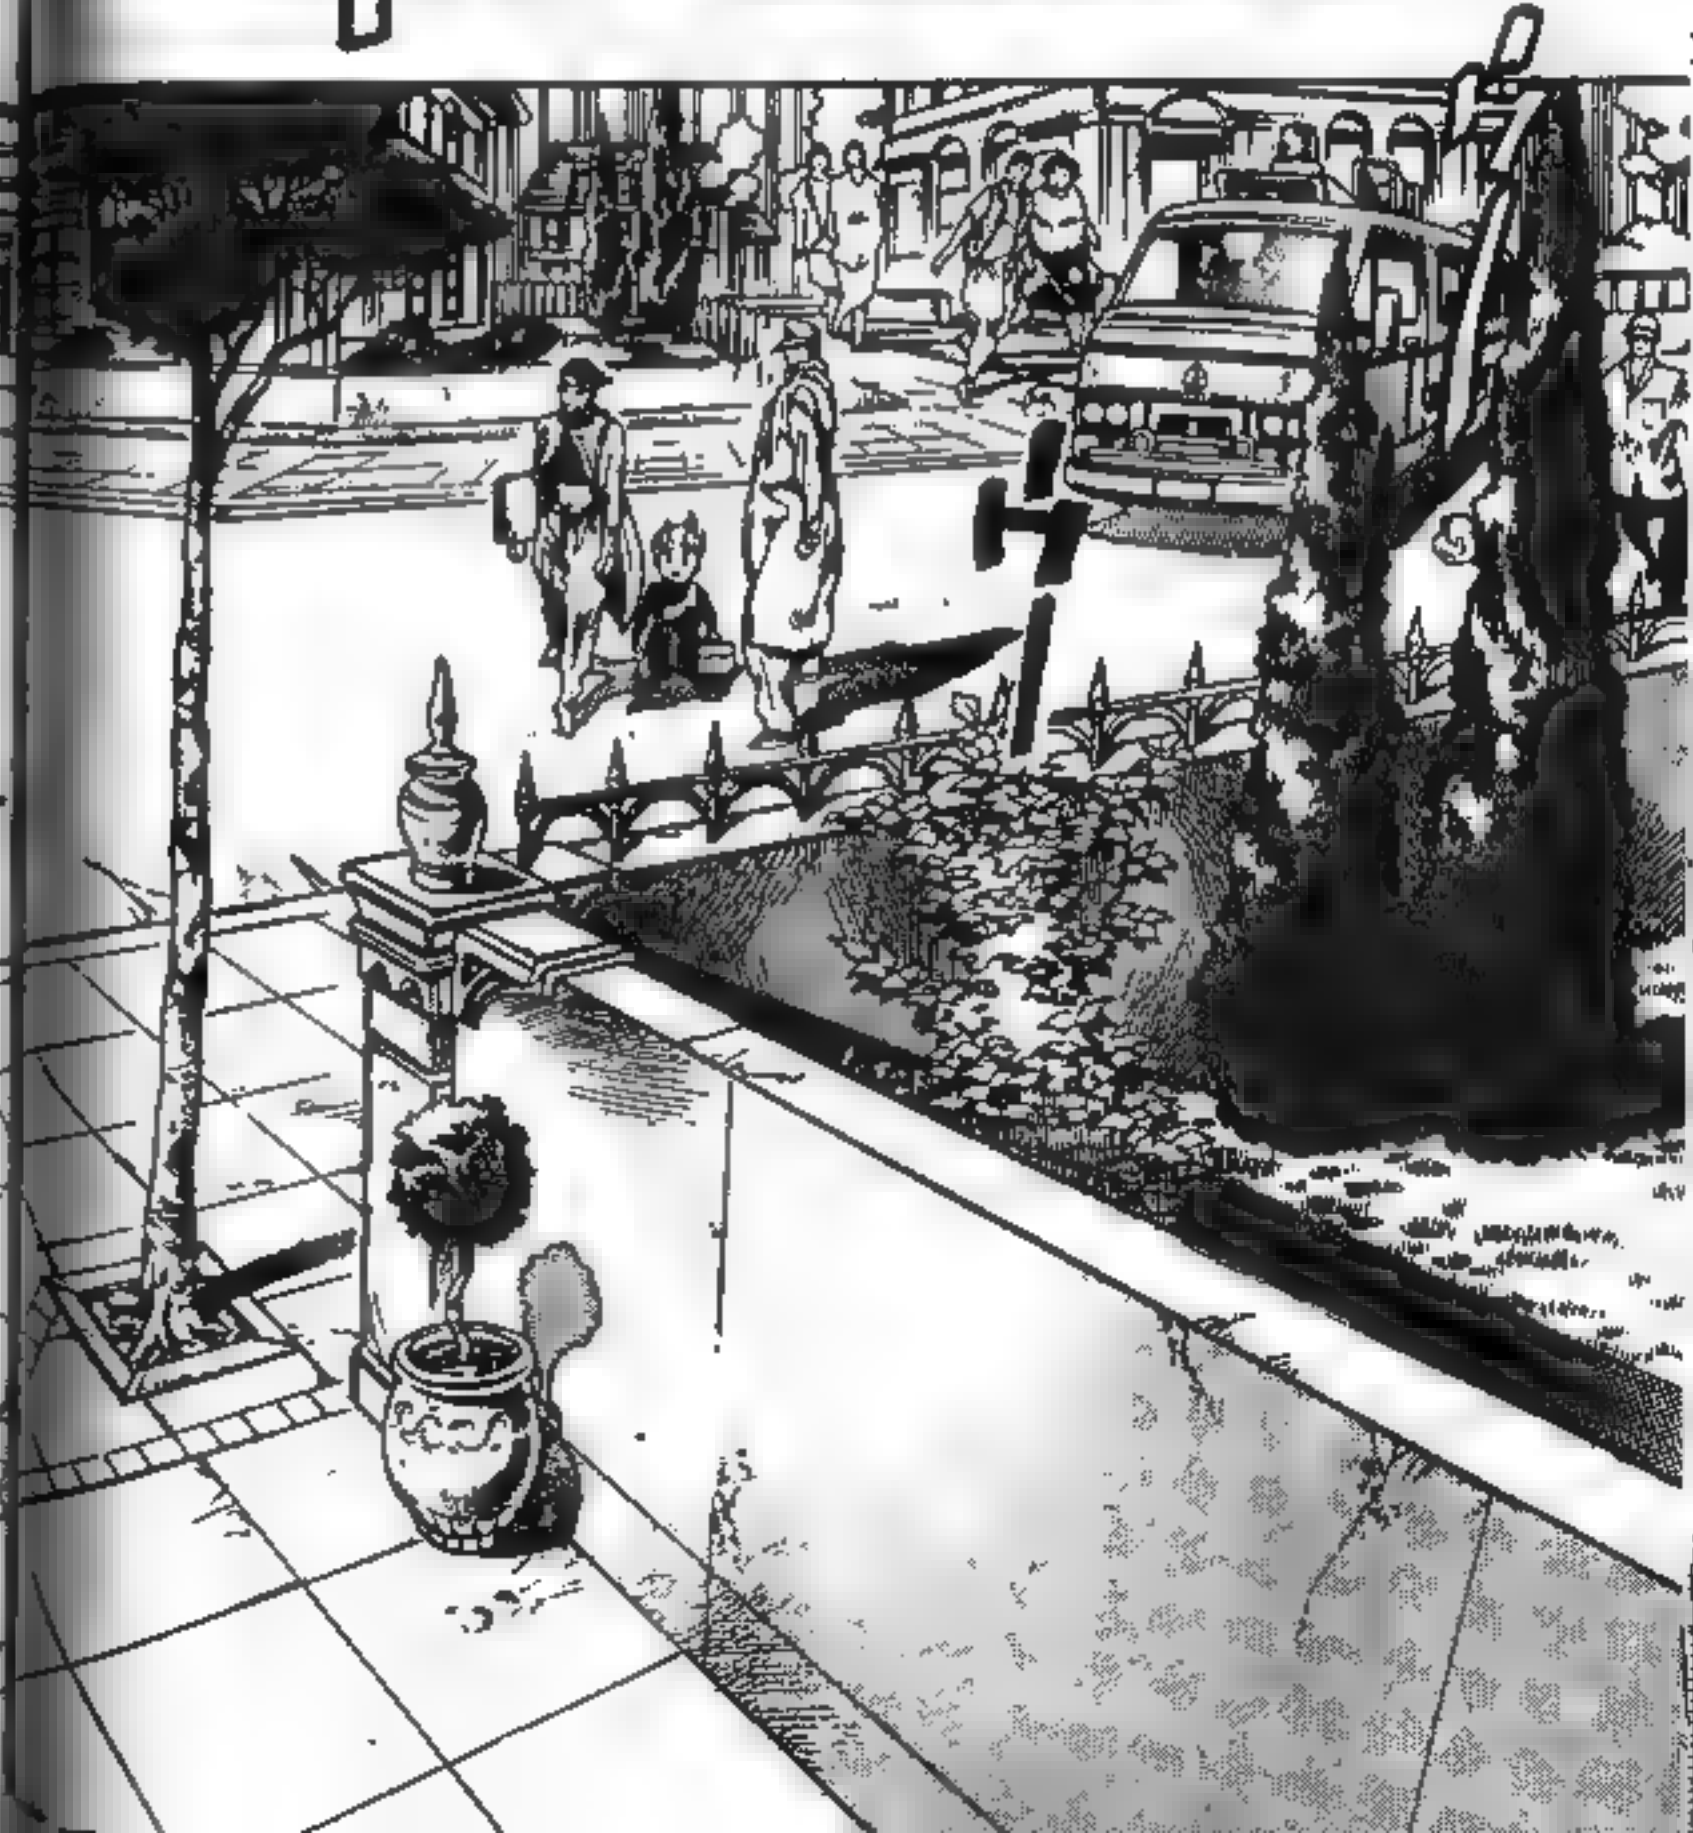

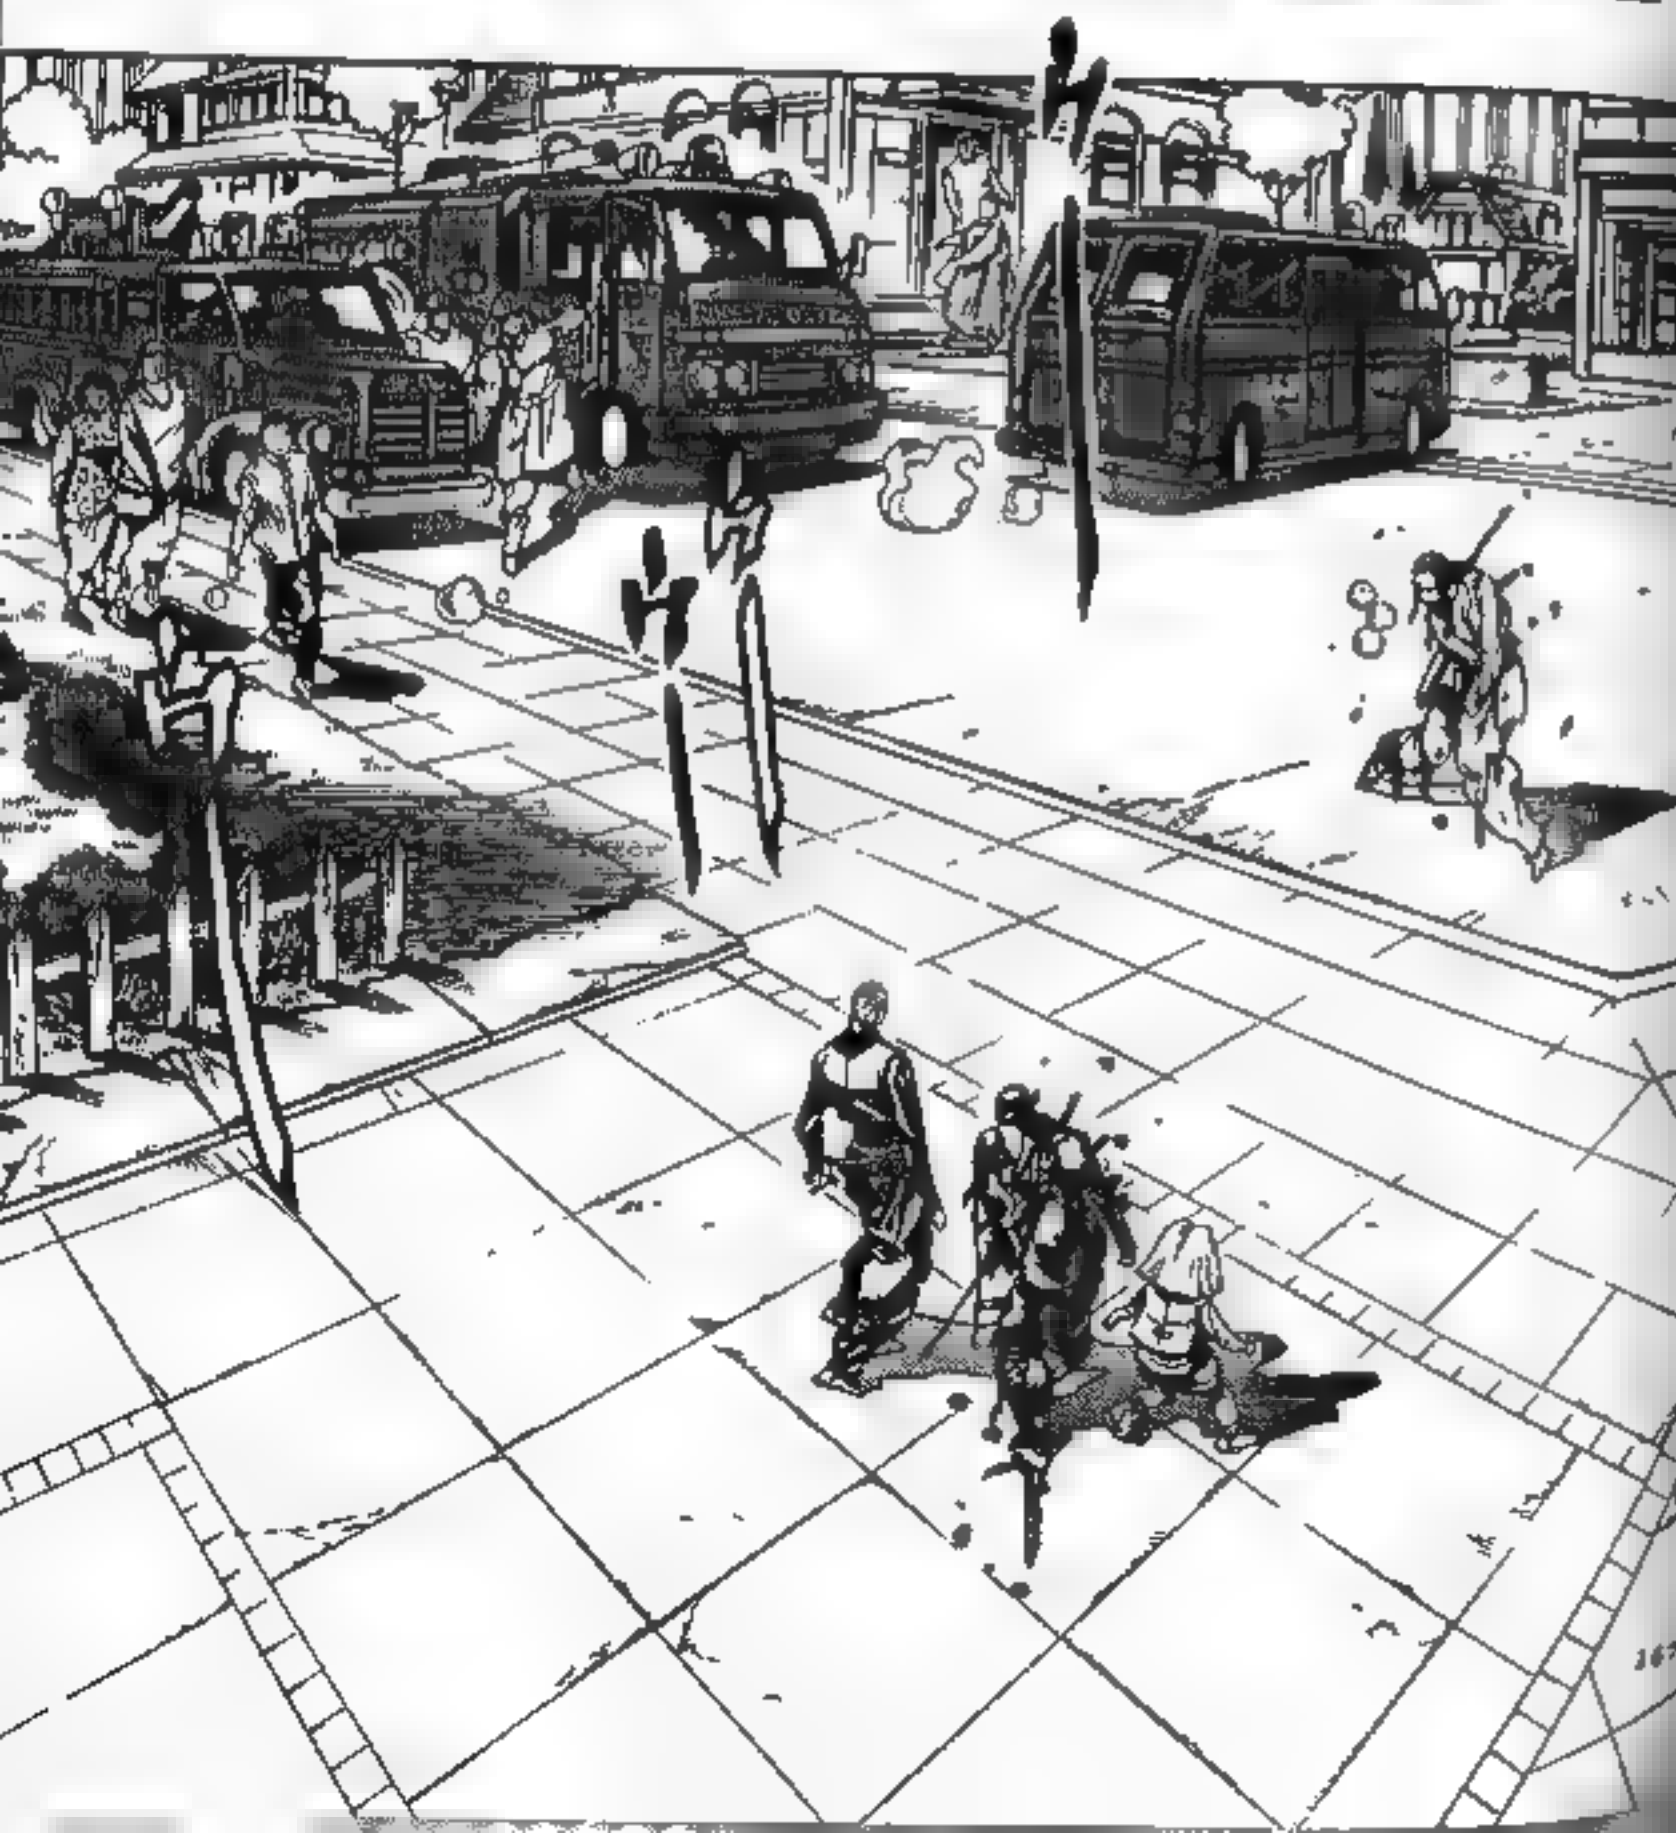

無敵的・瘋狂鑽石 之其⑨

東方仗助

he must be Yoshikage Kira!

then....

while we were waiting...

the battle had already started...

Josuke's wounds...

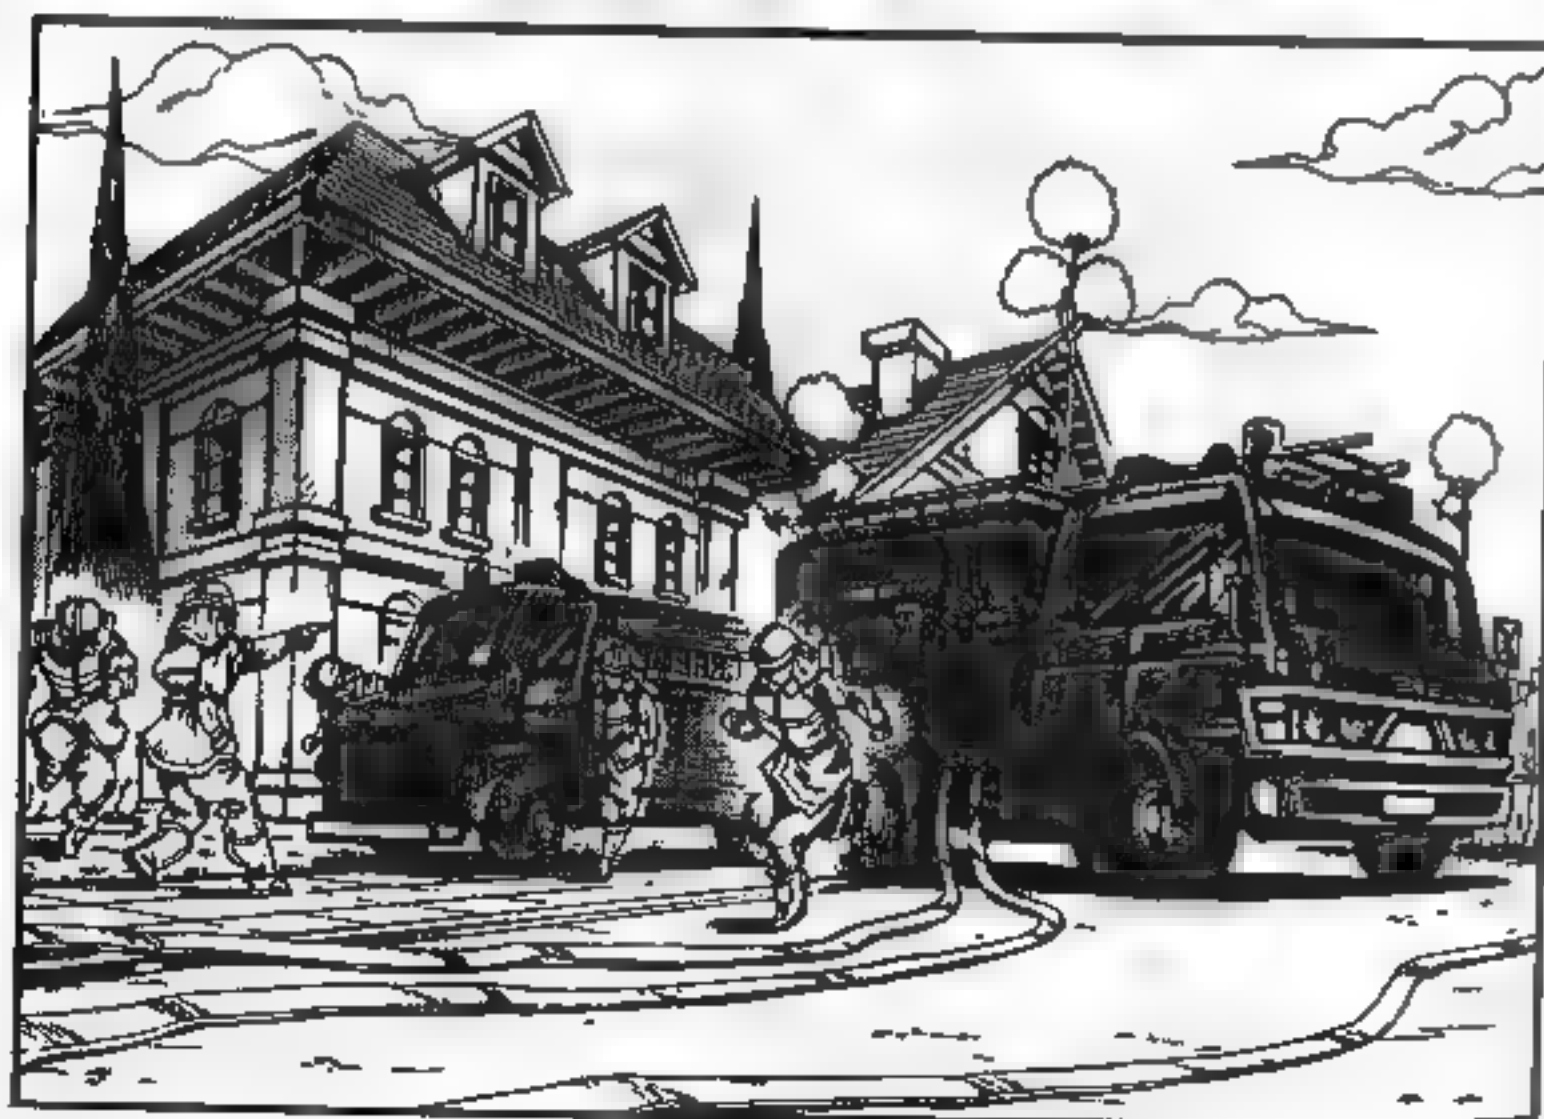

it's all over for you!

you will not escape!

you have no where to run!

THAT WOMAN HAS  
BEEN TURNED  
INTO A BOMB!!

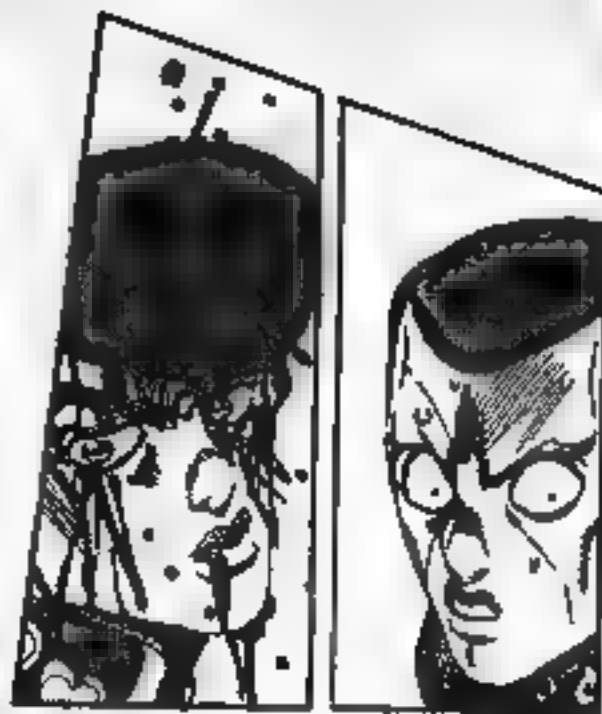

SHIT!

it's too far,  
I can make it  
there within  
the time stop...  
I might have  
chance if I get  
within 5 meters

Jotaro,  
your Star  
Platinum...

HE CAN DISTORT  
THE FLOW OF TIME!

It's the ability  
he acquired when  
he was very  
desperate!

He did the  
same thing  
to me!

this only works  
on normal people  
like me and that  
woman who  
doesn't have  
stand ability...

YOU FORGOT  
ABOUT MY  
ABILITY  
ALREADY!?  
I CAN HEAL HER  
THE SAME TIME  
YOU BLOW HER  
UP!

turned  
into a  
bomb...

he wants  
a hostage

GO  
AHEAD  
AND  
TRY!

I HAVEN'T TOLD  
YOU GUYS ABOUT  
THIS... HE HAS  
A SPECIAL  
ABILITY!

NO

SHE'S  
NOT JUST A  
HOSTAGE...

I KNOW  
ABOUT THIS...

LIKE HE IS NOW!

HE CAN USE THAT WHEN HE FACES A DESPERATE SITUATION!

My name is  
Yoshikage  
Kira...

I've killed  
48 beautiful  
women  
so far...

only you....  
you are the  
only one that  
knows about  
my secrets...

IF WE DON'T  
TAKE CARE  
OF HIM  
RIGHT NOW,  
EVERYBODY  
HERE WILL  
BE KILLED!

HE IS USING  
HIS 3RD  
SPECIAL  
ABILITY!!

WHOEVER KNOWS  
ABOUT HIS  
REAL IDENTITY  
WILL BE BLOWN  
TO PIECES!

how do I say  
this...

the first time I  
saw her, with hands  
on her knee....

呼呼...呼呼

when I was a  
kid, I saw  
Mona Lisa from  
my grammar  
school art book...

I had  
a boner...

WHAT?  
WHAT ARE  
YOU DOING?!

stuck on  
my wall.

I cut her  
hands off  
from the  
picture...

... I also  
want to  
cut your  
hand off...

JOTARO!! STOP TIME!!!  
DON'T LET KILLER  
QUEEN PUSH THE  
BUTTON!!!!

COME ON!  
STOP TIME!  
LET ME  
SEE HOW  
MANY SECONDS  
CAN YOU  
STOP...

this ability was  
triggered by  
my unwillingness  
to meet  
you guys...

I WILL USE  
MY 3RD BOMB

DON'T  
FORCE  
ME!

JOTARO!!  
HURRY!!!

coming...?

HEH...  
GREAT!!

I DID IT!!!

IT'S  
TIME!!

IT IS  
RIGHT  
NOW!!
